

District of Columbia
Office of the State Superintendent of Education

BRIDGING THE GAP

HIGH SCHOOL TO COLLEGE

The District of Columbia Office of the State Superintendent of Education **Summer Transition Program** is designed to help students navigate the college lifestyle. The summer program will focus on preparing students and their families for a successful freshman year by offering a series of workshops to address the transition from high school to college.

For more information, call 202.481.3485.

The Summer Transition Program workshop topics include:

- Establishing Academic Foundation
- Campus Support Services
- Student Life and Wellness
- Understanding Financial Aid
