The LEA must include in its application a description of the steps the subgrantee proposes to take to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs, as required by Section 427 of the General Education Provisions Act (GEPA). The statute highlights six types of barriers that can impede equitable access or participation: gender, race, national origin, color, disability, and age.
17. The LEA must track and account for each source of School Improvement funds -- including awards funded by ARRA funds -- separately from each other and from all other funding sources.
18. The LEA must retain all records of the financial transactions and accounts relating to the proposed project for a period of five years after the termination of the grant agreement and shall make such records available for inspection and audit as necessary.
19. The LEA acknowledges and agrees that the completion of this application, or the approval to fund an application, will not be deemed to be a binding obligation of the Office of the State Superintendent of Education (OSSE) until such time as the Grant Award Notification (GAN) is delivered to the applicant.
20. The LEA must receive prior written approval of a revised LEA application from the OSSE before implementing any project changes with respect to the purposes for which the proposed funds are awarded.
21. The LEA must comply with applicable Office of Management and Budget (OMB) Circulars, including, but not limited to: OMB Circular A-87, Cost Principles for State, Local, and Indian Tribal Governments; OMB Circular A-102, Grants and Cooperative Agreements with State and Local Governments; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations.
22. The LEA must have financial management systems, procurement systems, and equipment and inventory management systems that enable the LEA to demonstrate compliance with federal grants management requirements, including the requirement that all expenditures made with federal funds are necessary, reasonable, allocable, and legal.
23. No Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the making or renewal of Federal grants under this program.
24. The LEA will comply with civil rights laws that prohibit discrimination based on race, color, national origin, religion, sex, disability, and age.

    (available at http://www.ed.gov/policy/gen/leg/recovery/notices/civil-rights.html).

25. The Local Educational Agency has consulted with relevant stakeholders regarding the LEA's application and implementation of school improvement intervention models in its Priority Schools.

26. The LEA hereby assures OSSE that the LEA will retain all records related to the needs assessment for this school and will provide copies of those records (i.e., background information that substantiates results of needs assessment) to OSSE upon request.

Through the school improvement planning process, DCPS strives to ensure equity for all students in accordance with the requirements defined by the General Provisions Act, Section 427. This process, as required by Section 427, ensures that steps are taken to ensure equitable access to, and participation in, its Federally-assisted program for students, teachers, and other program beneficiaries with special needs. DCPS' school planning process adheres to the provision which allows applicants discretion in developing the required description and addresses the six types of barriers, highlighted in the statute, that can impede equitable access or participation: gender, race, national origin, color, disability, or age.
