### **SAT Preparation Expansion Grant 2016-17**

#### **Overview of Application Questions**

**THIS IS NOT A GRANT APPLICATION. APPLICATIONS MUST BE SUBMITTED ONLINE VIA EGMS  
([grants.osse.dc.gov](http://grants.osse.dc.gov)) NO LATER THAN JULY 18, 2016 at 4 p.m. EST.**

#### **Overview**

- Please provide an overview of your previous work in urban school districts, providing data for any significant improvements or changes. Attach supporting documents below, if necessary.\*
- Please provide a brief overview of which program options you are proposing (options 1, 2, 3) and in partnership with which LEA. If a partner LEA is a multi-school LEA, be sure to note the school(s) where services will be provided. Attach supporting documents below, if necessary.\*
- If you were a past awardee of the SAT Preparation Expansion Grant (2015-16), please provide details on improvements you plan to make to your program this year (2016-17), based on past evaluation. (optional)
- Please attach a sample of your organization's original SAT preparation curriculum.\*
- Please use the attachment options below if you would like to provide supporting documentation. (optional)

#### **Professional Development & Planning**

- Does your program include professional development (PD), planning, and/or program implementation that will take place between Aug. 1 – Sept. 20, 2016 (FY16)?\*  
If yes, please answer all of the questions below.  
If no, you do not need to complete the information in this section.
- Please describe teacher/leader professional development that you plan to offer during FY16, and how it relates to programs that will take place in FY17 (beginning Oct. 1). Include scheduled dates for PD (even if it's an estimate).  
*For example: Teacher PD is being provided to school leaders at school ABC on Aug.17, 18, and 19, 2016, in conjunction with program option 2, which will begin November 1. Teacher PD will include X, Y, and Z.*
- Please describe any other planning (including material accumulation) that will take place in FY16, and how it relates to programs that will take place in FY17 (beginning Oct 1).
- Please indicate if any program implementation will take place in FY16. You will include details of the program implementation on the following tabs, depending on which program option is selected (Option 1, Option 2, and/or Option 3).

*For example: After PD and planning takes place on Aug. 17, 18, and 19, 2016, SAT Prep class will begin on the first day of school Aug. 22, 2016.*

- Please use the attachment options below if you would like to provide supporting documentation.

### **Program Option 1**

- Does your program proposal include Option 1 (Curriculum Integration)?\*  
If yes, please answer all of the questions below.  
If no, you do not need to complete the information in this section.
- Which LEA(s) and school(s) are you partnering with for Option 1? Please describe your rationale for this option.
- Please describe how your program design at each LEA and/or school will meet the goals of the SAT Preparation Expansion Grant.
- What is the current need for SAT preparation services at each LEA and/or school? How will your program meet the LEA goals around college access and success?
- Please describe the target population at each LEA and/or school; detailed enrollment/recruitment strategy; and plan to increase scores of the target population.
- Please describe how many students will be served; total program contact hours; length of time per day and week; credit offered; duration of the program; and how the program fits into the school day schedule.
- Please use the attachment options below if you would like to provide supporting documentation.

### **Program Option 2**

- Does your program proposal include Option 2 (LEA-provided SAT Test Preparation Course)?\*  
If yes, please answer all of the questions below.  
If no, you do not need to complete the information in this section.
- Which LEA(s) and school(s) are you partnering with for Option 2? Please describe your rationale for this option.
- Please describe how your program design at each LEA and/or school will meet the goals of the SAT Preparation Expansion Grant.
- What is the current need for SAT preparation services at each LEA and/or school? How will your program meet the LEA goals around college access and success?
- Please describe the target population at each LEA and/or school; detailed enrollment/recruitment strategy; and plan to increase scores of the target population.

- Please describe how many students will be served; total program contact hours; length of time per day and week; credit offered; duration of the program; and how the program fits into the school day schedule.
- Please use the attachment options below if you would like to provide supporting documentation.

### **Program Option 3**

- Does your program proposal include Option 3 (Company-provided SAT Preparation Course)?\*  
If yes, please answer all of the questions below.  
If no, you do not need to complete the information in this section.
- Which LEA(s) and school(s) are you partnering with for Option 3? Please describe your rationale for this option.
- Please describe how your program design at each LEA and/or school will meet the goals of the SAT Preparation Expansion Grant.
- What is the current need for SAT preparation services at each LEA and/or school? How will your program meet the LEA goals around college access and success?
- Please describe the target population at each LEA and/or school; detailed enrollment/recruitment strategy; and plan to increase scores of the target population.
- Please describe how many students will be served; total program contact hours; length of time per day and week; credit offered; duration of the program; and how the program fits into the school day schedule.
- Please use the attachment options below if you would like to provide supporting documentation.
