**SUBJECT: SUMMARY DISCLOSURE REGARDING LIFE AND HEALTH  
GUARANTY ASSOCIATION INSOLVENCY PROTECTION**

---

Pursuant to D.C. Official Code § 31-5416, all life and health insurers and annuity contract providers subject to the provisions therein are required to provide to policy and contract holders the attached “SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS AND CONSUMER PROTECTION” prior to or at the time of delivery of the policy or contract.

## **SUMMARY OF GENERAL PURPOSES, COVERAGE LIMITATIONS AND CONSUMER PROTECTION**

### **General Purposes**

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association").

The purpose of the Guaranty Association is to assure that policy or contract holders of certain types of insurance policies and contracts are covered up to the statutory levels of protection of contractual benefits in the unlikely event that a member insurer is unable to meet its financial obligations and found by a court of law to be insolvent. When a member company is found by a court to be insolvent, the Guaranty Association will assess its other member insurers to provide benefits on any outstanding covered claims of persons who reside in the District of Columbia. However, this additional protection provided through the Guaranty Association is subjected to certain statutory limits explained under "Coverage Limitations" section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep them in-force, with no change in contractual rights or benefits.

### **Coverage**

The District of Columbia Life and Health Insurance Guaranty Association ("Guaranty Association"), established pursuant to the Life and Health Guaranty Association Act of 1992 ("Act"), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code § 31-5401 *et seq.*), provides insolvency protection for certain types of insurance policies and contracts. NOTE: Certain policies and contracts may not be covered or fully covered.

The insolvency protections provided by the Guaranty Association are generally conditioned on an individual being a resident of the District and are the insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or they are insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they live in another state.

### **Coverage Limitations**

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or

- With respect to any one life, regardless of the number of policies, contracts, or certificates:
  - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;
  - \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
  - \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
  - \$300,000 for long-term insurance care benefits;
  - \$300,000 for disability insurance;
  - \$500,000 for basic hospital, medical, and surgical insurance, or major medical insurance;
  - \$100,000 for coverage not defined as disability insurance or basic hospital, medical and surgical insurance or major medical insurance or long term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than \$300,000 with respect to any one life (\$500,000 in the event of basic hospital, medical, and surgical, and major medical claims).

Additionally, the Guaranty Association is not obligated to cover more than \$5,000,000 for multiple non-group policies of life insurance with one owner of regardless of the number of policies owned.

### **Exclusions Examples**

Policy or contract holders are not protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
- Their insurer was not authorized to do business in the District of Columbia; or
- Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);

- Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members and is self-funded;
- Interest rate guarantees which exceed certain statutory limitations;
- Dividends, experience rating credits or fees for services in connection with a policy;
- Credits given in connection with the administration of a policy by a group contract holder; or
- Unallocated annuity contracts.
