

# ESSER III-ARP Application and Evidence Based Interventions Webinar

July 20, 2021 | Linda Sun, Director of Federal Programs and Strategic Funding, K12

# Agenda

- ESSER Recovery Funding Overview
- ESSER III-ARP: Evidenced-Based Interventions Requirement
- ESSER III-ARP: Application Walk Through
- Additional Considerations
- Resources
- Q&A

# ESSER Recovery Funding *Overview*

# ESSER Recovery Funding

Staggered ESSER funding timelines allow LEAs to support the immediate needs of students and staff, as well as recover from the effects of the coronavirus (COVID-19) pandemic.

	ESSER I-CARES	ESSER II-CRRSA	ESSER III-ARP
Act	Coronavirus Aid, Relief, and Economic Security Act on March 27, 2020	Coronavirus Response and Relief Supplemental Appropriations Act on Dec. 27, 2020	American Rescue Plan Act on March 11, 2021
Spending Priorities	Emergency relief funds to address the impact of COVID-19 on schools	<ul style="list-style-type: none"> <li>Safely Reopen Schools</li> <li>Address Learning Loss</li> <li>Address Specific Needs (e.g. mental wellness, education technology)</li> </ul>	<ul style="list-style-type: none"> <li>Safely Reopen Schools</li> <li>Address Learning Loss</li> <li>Address Specific Needs (e.g. mental wellness, educational technology)</li> </ul>

# ESSER III-ARP

Specific Requirements

# ESSER III-ARP

“On Thursday, March 11, 2021, the American Rescue Plan (ARP) Act was signed into law. It is an unprecedented \$1.9 trillion package of assistance measures, including \$122 billion for the ARP Elementary and Secondary School Emergency Relief (ARP ESSER) Fund. Funds are provided to State educational agencies and school districts to help safely reopen and sustain the safe operation of schools and address the impact of the coronavirus pandemic on the Nation’s students.”

- [USED Office of Elementary and Secondary Education](#)

## ESSER III-ARP Specific Requirements

- ✓ Minimum 20 Percent Reserve on Learning Loss for Evidenced-Based Interventions
- ✓ In-Person Learning and Use of Funds Plan (initially met via Continuous Education Plans)
- ✓ Maintenance of Equity

# ESSER III-ARP Specific Requirements

## ✓ Minimum 20 Percent Reserve on Learning Loss

LEAs must reserve at least 20 percent of their allocation to **address learning loss** through the implementation of **evidence-based interventions** that:

- respond to students' **academic** and/or **social emotional needs**
- address the disproportionate impact of COVID-19 on **underrepresented student subgroups**

# ESSER III-ARP Specific Requirements

## ✓ Minimum 20 Percent Reserve on Learning Loss

What is an **evidence-based intervention**?\*

Tier 1	Tier 2	Tier 3	Tier 4
<p><b>Strong evidence</b> from at least one well-designed and well-implemented experimental study</p> <ul style="list-style-type: none"><li>• Randomly controlled trial</li><li>• Statistically significant outcomes</li><li>• Not refuted by other high quality, casual studies</li><li>• Large, multi-site sample</li><li>• Similar to your setting and/or student demographics</li></ul>	<p><b>Moderate evidence</b> from at least one well-designed and well-implemented quasi experimental study;</p> <ul style="list-style-type: none"><li>• Non random methods with baseline equivalent</li><li>• Statistically significant outcomes</li><li>• Not refuted by other high quality, casual studies</li><li>• Large, multi-site sample</li><li>• Similar to your setting and/or student demographics</li></ul>	<p><b>Promising evidence</b> from at least one well-designed and well-implemented correlational study with statistical controls for selection bias</p> <ul style="list-style-type: none"><li>• Non random methods; controls for selection bias</li><li>• Statistically significant outcomes</li><li>• Not refuted by other high quality, casual studies</li></ul>	<p><b>Demonstrates a rationale</b> based on high-quality research findings or positive evaluation that such activity, strategy, or intervention is likely to improve student outcomes or other relevant outcomes</p> <p><i>and</i></p> <p>includes ongoing efforts to examine the effects of such activity, strategy, or intervention.</p> <ul style="list-style-type: none"><li>• Small but favorable outcomes</li></ul>

# Application Walkthrough

---

# Application Timeline

**ESSER III-ARP FY21 Application Submission Window: July 30 - Sept. 30, 2021**

- Funding will be available for reimbursement after your application is approved.
- Application approval takes about four weeks from the date of submission.
- Submissions will be reviewed in the order they are received.
- LEA are strongly encouraged to submit their applications **before** the September deadline.

# Application Supports

- Each LEA will be assigned an OSSE grant manager for their ESSER grant portfolio. Your OSSE grant manager will reach out to schedule an initial meeting to discuss LEA spending plans and the application process.
- Open office hours will be scheduled and shared in the OSSE Division of Systems and Supports, K-12 Grants Newsletter and LEA Look Forward newsletter.
- Tab-by-tab instructions are available in the [appendix](#) of this presentation.
- An Excel version of this application is available upon request (email [OSSE.ESSER@dc.gov](mailto:OSSE.ESSER@dc.gov))

# ESSER Spending Priorities

Priority	Safely Reopen Schools	Address Specific Needs	Address Learning Loss
<b>Budget Categories (EGMS Budget Codes)</b>	<ul style="list-style-type: none"> <li>• Air Quality Equipment, Maintenance and Servicing (A1)</li> <li>• Facility and Outdoor Space Upgrades and Modifications (A2)</li> <li>• Supplemental Staffing – Operations (A3)</li> <li>• Coronavirus Testing (A4)</li> <li>• PPE and Other Health and Safety Supplies (A5)</li> <li>• Sanitation Services (A6)</li> <li>• Public Health Consulting Services (A7)</li> </ul>	<ul style="list-style-type: none"> <li>• Nutrition, Physical Activity, and Physical Health Supports (B1)</li> <li>• Mental Health Services and Supports for Students (B2)</li> <li>• Mental Health Services and Supports for Staff (B3)</li> <li>• Educational Technology – Devices (B4)</li> <li>• Educational Technology – Internet Access (B5)</li> <li>• Educational Technology – Digital Services (B6)</li> </ul>	<ul style="list-style-type: none"> <li>• Supplemental Staffing – Instructional (C1)</li> <li>• Diagnostic, Formative, and Interim Assessment (C2)</li> <li>• Curriculum (C3)</li> <li>• Intervention Programs (C4)</li> <li>• Professional Development (C5)</li> <li>• Summer Programs (C6)</li> <li>• Afterschool Programs (C7)</li> <li>• Tutors Programs and Services (C8)</li> </ul>
<b>Example Programs</b>	<ul style="list-style-type: none"> <li>• COVID-19 testing protocol</li> <li>• Outdoor learning spaces</li> </ul>	<ul style="list-style-type: none"> <li>• Replacement tech devices</li> <li>• Meal program supplies</li> <li>• Social emotional learning programming for students</li> <li>• Staff wellness supports</li> </ul>	<ul style="list-style-type: none"> <li>• High dosage tutoring</li> <li>• SWD recovery program</li> <li>• EL recovery program</li> </ul>

# Spending Priority Areas

Safely Reopen Schools

Address Specific Needs

Address Learning Loss

Other Use of Funds

1. To prepare schools for safe reopening, the LEA plans to spend ESSER III-ARP funds on the following (select all that apply):

- ☐ A1. Air Quality Equipment, Maintenance and Servicing
- ☐ A2. Facility and Outdoor Space Upgrades and Modifications
- ☐ A3. Supplemental Staffing – Operations
- ☐ A4. Coronavirus Testing
- ☐ A5. PPE and Other Health and Safety Supplies
- ☐ A6. Sanitation Services
- ☐ A7. Public Health Consulting Services
- ☐ A8. Reopen - Other

**NOTE:** When selecting an “Other” category, a description will be required. You may use language from your CEP to complete those narratives, if needed.

## Reservation for Evidenced-Based Interventions / Plan

LEA will need to respond to questions about each evidence-based intervention they will implement using ESSER III-ARP funds. There is enough space on [the form](#) to enter five interventions but LEAs are not required to implement five interventions – only to meet or exceed the 20 percent threshold. In the “Detailed Planned Expenditures,” you will need to identify which budget line items correlate to which intervention.

### Intervention 1

1. Briefly describe the intervention and how it will be implemented at the LEA.
2. Which under-represented student subgroups will be supported through this intervention
  - ☐ Major racial and ethnic groups
  - ☐ Children from low-income families
  - ☐ Children with disabilities
  - ☐ English learners
  - ☐ Gender
  - ☐ Migrant students
  - ☐ Students experiencing homelessness
  - ☐ Children and youth in foster care
3. Which tier is the evidence-based intervention?
4. Describe the evidence-base for the intervention.
5. What is the expected outcome for this intervention and how will the LEA measure if this outcome is achieved?

## Reservation for Evidenced-Based Interventions / Budget

The LEA will need to complete the boxes in **blue** to indicate how much of their total allocation will be reserved for evidenced-based interventions and how much will go towards other uses. The remaining boxes in gray will be calculated automatically in EGMS.

	Dollar Amounts	% of Preliminary Allocation
Reservation for Evidence-Based Interventions (minimum 20%)		
Remaining Funds		
Total Allocation		

## Return to In-Person and Use of Funds Plan

- Share the link where the LEA has publicly posted their **2020-21 school year CEP**. If this plan has not yet been posted, share the date when the LEA will post the plan. (paste in an EGMS textbox)
- Share the link on the LEA's website where the LEA's has publicly posted their **2021-22 school year CEP**. If this plan has not yet been posted share the date when the LEA will post the plan. (paste in an EGMS textbox)
- **Describe how the LEA engaged stakeholders** in developing their 2021-22 CEP including a summary of the feedback received to-date and how the feedback has been or will be included in their CEP. (write narrative in an EGMS textbox OR upload a word document)

# Facilities Cost

***This is only a required section if the LEA is requesting construction or capital expenditures.***

If an LEA is planning to include a potential construction project as a part of their ESSER III-ARP application, complete the below questions as the concept proposal.

1. Provide a description of the expenditures. The description should include: how school facilities will be acquired, altered, remodeled, repaired, renovated and/or extended. how this will help the LEA safely reopen schools as expeditiously as possible, sustain their healthy operations and/or address the significant academic, social, emotional, and mental health needs of students.
2. What is the cost per unit (if applicable) and/or the total cost?
3. Will these costs be recorded financially as a tangible or intangible asset with a useful life of greater than one year?
4. Will these costs materially increase the value or useful life of the land or building?
5. Does the project require drawings, blueprints and/or specifications? If yes, please upload here.
6. Please upload any other pictures, renderings or visuals that could help OSSE better understand the costs.

# Detailed Planned Expenditures

SALARIES AND  
BENEFITS

PROFESSIONAL  
SERVICES

EQUIPMENT

SUPPLIES AND  
MATERIALS

FIXED PROPERTY  
COSTS

OTHER  
OBJECTS

Item(s) to be Purchased	Evidence-Based Intervention	Budget Codes	Brief Description of Purpose of Purchase	ESSER_III_ARP Funds
Consultant to Address Specific Needs	N/A	B2-MENT STUDENT	Consultant will provide one on one services to about 100 students four times through the year, prioritizing students experiencing homelessness and students in foster care	10,000.00
Professional Development for Teachers	1	C5-PROF DEV	Consultant will provide 4 sessions of professional development to 25 teachers on how to address learning loss	8,000.00

**NOTE:** Whether or not the budget line item supports an **evidence-based intervention**, it needs to be noted in this column.

- If it does not support an evidence based intervention, select “N/A.”
- If it support an evidence-based intervention described in the Evidenced-Based Interventions form, indicate which one (e.g., 1, 2, 3, 4, 5).
- If it supports an evidence-based intervention NOT described in the Evidenced-Based Interventions form, mark it as “Other”

# Detailed Planned Expenditures

SALARIES AND  
BENEFITS

PROFESSIONAL  
SERVICES

EQUIPMENT

SUPPLIES AND  
MATERIALS

FIXED PROPERTY  
COSTS

OTHER  
OBJECTS

Item(s) to be Purchased	Evidence-Based Intervention	Budget Codes	Brief Description of Purpose of Purchase	ESSER_III_ARP Funds
Consultant to Address Specific Needs	N/A	B2-MENT STUDENT	Consultant will provide one on one services to about 100 students four times through the year, prioritizing students experiencing homelessness and students in foster care	10,000.00
Professional Development for Teachers	1	C5-PROF DEV	Consultant will provide 4 sessions of professional development to 25 teachers on how to address learning loss	8,000.00

**NOTE:** Budget codes cannot be changed once you hit save on the application, in an amendment nor in a rejected reimbursement  
**Solution:** Delete the line and create a new one

Also, budget codes MUST match what has been checked off in the “Spending Priority Areas” tabs.

# Budget Category Examples

High Dosage Tutoring Program				
Expenditures Tab	Item	Budget Category	Description	Cost
<b>Salaries</b>	Director of Tutoring	Tutors Programs and Services (C8)	Director of Tutoring will oversee the high dosage tutoring program at five locations from October 2020 to September 2021.	\$75,000
<b>Professional Services</b>	Professional Development	Tutors Programs and Services (C8)	Consultant will provide training to leadership on the most effective tutoring program and how to implement. Training will be one day for 8 staff members.	\$5,000
<b>Supplies</b>	Curriculum and Materials	Tutors Programs and Services (C8)	Math and ELA curriculum for tutoring 100 third – eighth graders and materials needed to implement curriculum.	\$10,000

**NOTE:** When selecting budget codes, choose the option that best aligns to the overall program being funded. In the example above, the three costs are all part of a high dosage tutoring program, so they are all coded to Tutors Programs and Services (C8) instead of to Supplemental Staffing (C1), Professional Development (C3) and Curriculum (C5), respectively for each line item.

# Program Example

Outdoor Learning Spaces				
Expenditures Tab	Item	Budget Category	Description	Cost
<b>Salaries</b>	COO Salary	Facility and Outdoor Space Upgrades and Modifications (A2)	50% of the COO time will be dedicated to the oversight of creating safe outdoor learning spaces.	\$45,000
<b>Professional Services</b>	Consultant	Facility and Outdoor Space Upgrades and Modifications (A2)	Installation of touchless water fountains, sinks, tables, seating and pavilion for 80 students.	\$20,000
<b>Equipment</b>	Pavilions	Facility and Outdoor Space Upgrades and Modifications (A2)	Purchase of 4 pavilions to seat 20-25 students and teachers each.	\$100,000

**NOTE:** When selecting budget codes, choose the option that best aligns to the overall program being funded. In the example above, the three costs are all part of opening an outdoor learning space, which is under Facility and Outdoor Space Upgrades and Modifications (A2). Notice that the COO Salary is also coded to A2 and not to Supplemental Staffing – Operations (A3).

OTHER  
OBJECTS

Item(s) to be Purchased	Evidence-Based Intervention	Budget Codes	Brief Description of Purpose of Purchase	ESSER_III_ARP Funds
Consultant to Address Specific Needs	N/A	B2-MENT STUDENT	Consultant will provide one on one services to about 100 students four times through the year, prioritizing students experiencing homelessness and students in foster care	10,000.00
Professional Development for Teachers	1	C5-PROF DEV	Consultant will provide 4 sessions of professional development to 25 teachers on how to address learning loss	8,000.00

**NOTE:** In addition to a **brief description of the purpose of the purchase**, also include specifics on quantity of goods, length/scope of service, how many students, and which students will be served by this item

## GEPA Narrative

Describe in 1-2 paragraphs how the LEA, when using ESSER III-ARP grant funds, will ensure that students, teachers and other beneficiaries with special needs have equitable access to, and participation in, grant-funded activities. Potential barriers that can impeded equal access and participation include barriers based on gender, race, color, national origin, disability and age.

Note: A general statement of the LEA's nondiscriminatory hiring policy is not sufficient; this statement should specifically address the LEA's proposed ARP Act-funded activities. General Education Provisions Act (GEPA) Requirements – Section 427 (20 U.S.C. 1228a)

**NOTE:** Stating that students and staff will not be denied access and participation based on gender, race, color, national origin, disability, or age is **not** sufficient. The response should describe how barriers to access and participation will be addressed.

## **Grant Award Notification Information**

Upload the most recent ESSER III-ARP GAN that you have received on this tab.

## Additional Considerations

---

# ESSER Approval Process for Construction

- Must own building OR hold a 50+ year lease to be approved for construction

- Assessed effect on any building on or eligible to be on the National Register of Historic Places

- Evaluated flood hazards in connection with the construction
- Followed ASHRAE\* standards, if applicable
- Meets Davis-Bacon requirements

# Annual Single Audit

Increased federal funding, due to ESSER, may cause your LEA to reach a threshold that requires an Uniform Guidance Audit in FY20-FY24.

If your LEA is expending \$750,000 or more in total federal awards within one year, your auditors will need to complete a Uniform Guidance Audit, in addition to the typical LEA annual audit. This will be a more detailed audit of your federal spending and the fee for this additional audit is an allowable use of grant funds.

This audit used to be known as the A-133 audit.

Details about this requirement can be found in [Uniform Guidance \(2 CFR part 200, subpart F\)](#).

# ESEA Title I Maintenance of Effort (MOE) Requirement

ESSER II-CRRSA recipients that also receive Title I-A funds must meet the Title I MOE each year.

- MOE compares the last two fiscal years and requires that LEAs have spent at least 90 percent of prior year local funds in the subsequent year. LEAs that fail to meet this threshold in two of five years, will have their Title I allocation reduced.
- LEAs submit Title I MOE and Per-pupil Expenditure financial data to OSSE every year in March.
- LEAs should prioritize spending ESSER II-CRRSA funds on new expenditures in order to avoid lowering the local funding spending level below 90 percent of the prior year in FY21-FY24 to avoid this risk.

Create an application for: 2021

Find the ESSER III-ARP tile on the dashboard, then select “Create an application for **2021**” to open and begin the application.

The application opens with several tabs available at the top of the screen.

- Use the tabs to navigate the grant application.
  - Avoid using the back arrow when navigating the application. Use the hyperlinked options at the top of the screen, when possible.
- Before leaving a tab, click “**SAVE PAGE**” at the bottom of each application page to save the content you entered.
  - Content will not save until all required fields are populated. Typing responses in a document outside of EGMS in a location where they can be saved is sometimes helpful.

# Overview

## Overview Information

### Background:

The American Rescue Plan Act of 2021 (ARP) was signed into law on March 11, 2021 and provides additional funds for the Elementary and Secondary School Emergency Relief Fund (ESSER III). Local education agencies (LEAs) which qualify for Title I-A funds for the 2021-2022 school year are eligible to receive ESSER III-ARP funding.

### Grant Period

The period of funds availability includes allowable costs from March 13, 2020 to Sept 30, 2024. This date range includes the 12-month Tydings period. The initial grant period ends Sept. 30, 2021.

### Use of Funds

ESSER III-ARP has broad allowable uses. All activities allowable in Elementary and Secondary Education Act (ESEA), Individuals with Disabilities Education Act (IDEA), Adult Education and Family Literacy Act (AEFLA), Carl D. Perkins Career and Technical Education Act (Perkins), McKinney-Vento Homeless Assistance Act (MKV) are also allowable under ESSER III-ARP.

Both OSSE and the US Department of Education strongly encourage that funds be used to support reopening schools as expeditiously as possible this spring, sustain the safe and healthy operation of school, and address the significant academic, social, emotional and mental health needs of students. As such, this application is organized with tabs asking you to describe your plans in the following areas:

- Safely Reopen Schools
- Address Specific Needs
- Address Learning Loss

### LEA Requirements

There are three specific requirements for LEAs that receive ESSER III-ARP funding:

Minimum 20% Reservation for Addressing Learning Loss through Evidence-Based Interventions

LEAs are federally required to use at least 20 percent of their overall ESSER III-ARP allocation to address learning loss through the implementation of evidence-based interventions. Evidence-based means an activity, strategy, or intervention that demonstrates a statistically significant effect on improving student outcomes or other relevant outcomes based on:

- strong evidence from at least one well-designed and well-implemented experimental study (tier 1)
- moderate evidence from at least one well-designed and well-implemented quasi-experimental study (tier 2);
- promising evidence from at least one well-designed and well-implemented correlational study with statistical controls for selection bias (tier 3); or

Review the "Overview" tab to be aware of the following:

- Background
- Purpose of Grant
- Grant Period
- Use of Funds
- LEA Requirements
- Application Due Date: **Sept. 30, 2021**
- Program Contact

No responses need to be entered in this section.

## LEA/School Contact Information

Enter contact information for the appropriate staff members for your LEA.

Click “**SAVE PAGE**” when the information is complete.

# Spending Priority Areas

Safely Reopen Schools

Address Specific Needs

Address Learning Loss

Other Use of Funds

In each spending priority tab, check the budget categories that correlate to the ESSER III-ARP program activities. When selecting an “Other” category, a description will be required. You may use language from your CEP to complete those narratives, if needed.

When details are complete, select **“SAVE PAGE.”**

PLAN
BUDGET

Plan

LEAs must use at least 20 percent of funds to address learning loss through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on underrepresented student subgroups.

Complete [this form](#) by describing the evidence-based intervention(s) that will be implemented using ESSER III-ARP funds. The description for each intervention should include the following:

- a brief description of the intervention
- underrepresented student subgroups that will be supported through the intervention
- the tier of the evidence-based the intervention (1-4), as defined in the overview tab
- evidence and/or a rationale for how the LEA determined that the intervention is evidence-based(e.g., a link to where the intervention is listed in the [What Works Clearinghouse](#) database of evidence-based interventions; a citation of a study that meets the definition for that tier of an evidence-based intervention; or an evaluation of the LEA's past data that demonstrated the efficacy of the intervention)
- the expected outcome for this intervention and how the LEA will determine if that outcome has been achieved (i.e., this response should include what data/metrics will be used to assess achievement of the outcome)

Space is provided in the form to list up to five interventions. However, there is no expectation that an LEA would implement five interventions. Rather, ESSER III-ARP only requires that funding supporting the(se) intervention(s) is at least 20 percent of the LEA's total allocation. You may use responses provided in your 2021-2022 school year Continuous Education Plan in these responses.

Once you have completed [the form](#) upload it below. Files must be less than 6MB in size and the file name cannot include special characters (i.e. #, \$, % etc.). Attempting to upload a file that does not comply with these restrictions will result in errors and loss of unsaved data.

Choose File
No file chosen

SAVE PAGE

1. The CEP for the 2020-2021 school year already on file with OSSE will initially meet this requirement prior to the LEA sharing the 2021-2022 plan, as long as it:

- was developed after the LEA sought and took into account public input;
- is publicly available on the LEA's website by June 24, 2021; and
- is updated with public input for 2021-2022 through the submission of the 2021-2022 school year CEP

Paste below the link on the LEA's website where the LEA has publicly posted their 2020-2021 CEP plan. If this plan has not yet been posted, type in the textbox the date when the LEA will post the plan.

(25 of 500 maximum characters used)

2. LEAs must also share their 2021-2022 CEP directly with families, including posting on their own websites, either before the start of the 2021-2022 school year or by Aug. 24, 2021, whichever date is first.

Paste below the link on the LEA's website where the LEA's has or intends to publicly posted their 2021-2022 CEP plan. If this plan has not yet been posted, type in the textbox the date when the LEA will post the plan.

(25 of 500 maximum characters used)

SAVE PAGE

## Return to In-Person and Use of Funds Plan

Input either the links of where the LEA's 2020-21 CEP and 2021-2022 CEP are publicly posted OR the dates of when the LEA's 2020-21 CEP and 2021-2022 CEP will be publicly posted.

3. Describe how the LEA has engaged or will engage students, families, school and district administrators (including special education administrators), and teachers, principals, school leaders, other educators, school staff, and their unions in the development of their 2021-2022 CEP. Additionally, as applicable, the LEA should also address how they included tribes, civil rights organizations (including disability rights organizations), and stakeholders representing the interests of children with disabilities, English learners, children experiencing homelessness, children in foster care, migrant students, children who are incarcerated, and other underserved students in the engagement process.

The response should also include a summary of the feedback received to-date and how the feedback has been or will be included in their CEP. LEAs may respond in the textbox OR upload a document with your response. Both options are provided below. If you chose to upload a document type "N/A" into the textbox.

(54 of 5000 maximum characters used)

Files must be less than 6MB in size and the file name cannot include special characters (i.e. #, \$, % etc.). Attempting to upload a file that does not comply with these restrictions will result in errors and loss of unsaved data.

### GEPA Narrative

Describe in 1-2 paragraphs how the LEA, when using ESSER III-ARP grant funds, will ensure that students, teachers, and other beneficiaries with special needs have equitable access to, and participation in, grant-funded activities. Potential barriers that can impede equal access and participation include barriers based on gender, race, color, national origin, disability, and age.

**Note:**  
A general statement of the LEA's nondiscriminatory hiring policy is not sufficient; this statement should specifically address the LEA's proposed ARP Act-funded activities. General Education Provisions Act (GEPA) Requirements –Section 427 (20 U.S.C. 1228a)

(12 of 5000 maximum characters used)

# GEPA Narrative

Respond to the prompt to explain your LEA's plan to ensure equitable access to the benefits of the ESSER III-ARP program. Stating that students and staff will not be denied access and participation based on gender, race, color, national origin, disability, or age is **not** sufficient. The response should describe how barriers to access and participation will be addressed.

Click “**SAVE PAGE**” when the information is complete.

## Facilities Costs

If the LEA intends to use ESSER III-ARP funds to acquire, alter, remodel, repair, renovate or extend school facilities, please answer the below questions. These questions serve to determine if the expenditures are allowable and if they qualify as construction. If the expenditures are determined to qualify as construction, the LEA may be asked to provide additional information including the timeline of the construction project, the source(s) of financing, the ownership status of the property, and the environmental impact of the project, amongst other details.

1. Provide a description of the expenditures. The description should include:

- how school facilities will be acquired, altered, remodeled, repaired, renovated and/or extended.
- how this will help the LEA safely reopen schools as expeditiously as possible, sustain their healthy operations and/or address the significant academic, social, emotional, and mental health needs of students.

(32 of 5000 maximum characters used)

2. What is the cost per unit (if applicable) and/or the total cost?

(9 of 5000 maximum characters used)

3. Will these costs be recorded financially as a tangible or intangible asset with a useful life of greater than one year?

(3 of 5000 maximum characters used)

4. Will these costs materially increase the value or useful life of the land or building?

(5 of 5000 maximum characters used)

5. Does the project require drawings, blueprints and/or specifications? If yes, please upload here. If no, please leave this blank. 34 CFR 75.605(b).

No file chosen

Uploaded Files:

No files are currently uploaded for this page.

6. Please upload any other pictures, renderings or visuals that could help OSSE better understand the costs.

### Instructions for Detailed Planned Expenditures Tabs

For each Detailed Planned Expenditures tab, the LEA must provide a detailed list of all planned expenditures for ESSER III-ARP funds. For each line item in the budget, LEAs need to:

- Select a Budget Code that aligns to one of the four spending priority areas. The [budget code chart](#) can assist with deciding which code to use and which Detailed Planned Expenditures tab (e.g. Salaries and Benefits, Professional Services, Equipment, Supplies) the line item should be in. It is strongly recommended to review this chart before completing the following budget tabs.
- Select which of the LEA's interventions, as described in the Reservation for Evidence-Based Intervention tab, the expenditure supports (e.g. 1, 2, 3, 4, 5, Other). If the expenditure does not support an intervention, the LEA should select "N/A". Expenditures aligned to the spending priorities Address Learning Loss and Address Specific Needs may be included in the reservation. Expenditures aligned to Safely Reopen Schools may not be included in the reservation.
- Write a description of the purpose of the purchase and cost assumptions in the "Brief Description of Purpose of Purchase" column. Cost assumptions should convey the quantity or scope of service provided by an expenditure. This could include the quantity of items being purchased, the number of months covered by a salary, the number and/or grade level of students being served, or the duration of a contract. Please see slides 14-16 of the [application webinar](#) for examples of how the "Brief Description of Purpose of Purchase" could be completed.

# Detailed Planned Expenditures

Enter the planned expenditures budget in each of the appropriate grant budget category tabs.

Use the linked [ESSER II-CRRSA Budget Categories](#) and Examples of Cost table for guidance on correctly categorizing expenses by type. The ESSER II-CRRSA document is still applicable to ESSER III-ARP.

Each line item must have an ESSER III-ARP budget category code that aligns with the activities described in the spending priority area tabs and an evidence-based interventions determination.

Item(s) to be Purchased	Evidence-Based Intervention	Budget Codes	Brief Description of Purpose of Purchase	ESSER_III_ARP Funds
Consultant to Address Specific Needs	N/A	B2-MENT STUDENT	Consultant will provide one on one services to about 100 students four times through the year, prioritizing students experiencing homelessness and students in foster care	10,000.00

Click “**SAVE PAGE**” once the document is uploaded.

## Award Administration

### I. Grant Award Notice and Payments

To be awarded a grant, local educational agencies (LEAs) must establish eligibility by submitting an application to OSSE in accordance with the relevant program statute(s) and this application. Each awarded applicant will receive a Grant Award Notification (GAN) generated through OSSE's electronic grant management system (EGMS) that will include the award amount, award agreement, terms and conditions of the award, and any supplemental information required. Once OSSE has fully approved the application and issued an official GAN, grantees may then receive payment for allowable expenditures for which obligation was made during the grant period. OSSE has implemented a reimbursement process for all grantees. Program costs must be paid by the grantee to the payee prior to requesting reimbursement; it is not sufficient for costs merely to be incurred. Compliance with programmatic and fiscal implementation and reporting will be considered in paying reimbursement requests. To receive reimbursement for grant program expenditures, OSSE grantees must complete and submit a reimbursement request electronically using EGMS.

### II. Audits

At any time, or times, before final payment and during the required record retention period, the District may audit the applicant's expenditure statements and source documentation.

### III. Monitoring and Reporting

The recipient will cooperate with any evaluation of the program, such as providing OSSE requested data and access to records and pertinent staff. Monitoring efforts are designed to determine the grantee's level of compliance with federal requirements and identify specifically whether the grantee's operational, financial and management systems and practices are adequate to account for program funds in accordance with federal requirements.

# Award Administration

Read the Award Administration requirements and pay particular attention to: "VII. Additional Terms and Conditions"

This section lists terms and conditions that apply specifically to the ESSER III-ARP application and grant.

No responses need to be entered in this section.

Elementary and Secondary School Education Relief Fund (ESSER III) established under the American Rescue Plan Act, 2021 (ARP) Assurances for Fiscal Year 2020-21

The Local Educational Agency (LEA) hereby assures the State Education Agency (SEA) that:

1. Within 30 days of being awarded ARP ESSER, the LEA will make a plan for the safe return to in-person instruction and continuity of services publicly available on its website. Additionally, prior to making the plan publicly available, the LEA must seek public comment on the plan and take such comments into account in the development of the plan.
  2. The LEA will reserve at least 20 percent of funds to address learning loss through the implementation of evidence-based interventions and ensure that those interventions respond to students' social, emotional, and academic needs and address the disproportionate impact of COVID-19 on student subgroups (i.e., each major racial and ethnic group, children from low-income families, children with disabilities, English learners, gender, migrant students, students experiencing homelessness, and children and youth in foster care).
  3. The LEA will comply with the maintenance of equity provisions in section 2004(c) of the ARP.
  4. The LEA will submit an application in the Enterprise Grants Management System (EGMS) by Sept. 30, 2021 by 3 p.m. ET, that includes uploading these signed assurances and the grant award notification issued to you by OSSE in May 2021.
  5. The LEA shall to the greatest extent practicable, continue to pay its employees and contractors during the period of any disruptions or closures related to coronavirus (CARES Act Section 18006);
  6. The program will be administered in accordance with applicable statutes, regulations, program plans, and applications;
  7. Control of funds and property acquired using program funds will be maintained and administered by the appropriate public agency;
  8. Fiscal control and fund accounting procedures will be used to ensure proper disbursement of, and accounting for, federal funds;
  9. The LEA will make reports to the state agency or board and to the Secretary as may be needed for the state agency or board and the Secretary to perform their duties under the program, and each LEA will maintain records and provide access to those records as the state board or agency or Secretary deems necessary to carry out their responsibilities. Reporting requirements may include:
    - a. How the LEA is developing strategies and implementing public health protocols including, to the greatest extent practicable, policies and plans in line with the CDC guidance related to addressing COVID-19 in schools;
    - b. How funds will support a return to and maximize in-person instruction time, and advance equity and inclusivity in participation in-person instruction;
    - c. Data on each school's mode of instruction (remote, hybrid, in-person) and conditions;
    - d. Uses of funds to meet students' social, emotional, and academic needs, including through summer enrichment programming and other evidence-based interventions, and how they advance equity for underserved students;
    - e. Uses of funds to sustain and support access to early childhood education programs, if applicable;
    - f. Impacts and outcomes (disaggregated by student subgroup) through use of ARP ESSER funding (e.g., quantitative and qualitative results of ARP ESSER funding, including on personnel, student learning, and budgeting at the school and LEA level);
    - g. Student data (disaggregated by student subgroup) related to how the COVID-19 pandemic has affected instruction and learning;
    - h. Requirements under the Federal Financial Accountability Transparency Act (FFATA); and
    - i. Any additional reporting requirements as may be necessary to ensure accountability and transparency of ARP ESSER funds.
  10. None of the funds expended under any applicable program will be used to acquire equipment if such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees.
  11. Applications, evaluations, plans, or reports related to each program will be made available to the public;
  12. Facilities constructed under any program will be consistent with overall District construction plans and standards and with the requirements of Section 504 of the Rehabilitation Act of 1973 in order to ensure that the facilities are accessible to and usable by individuals with disabilities;
  13. The LEA has adopted effective procedures for acquiring and disseminating information and research regarding the program and for adopting, where appropriate, promising educational practices to teachers and administrators participating in the program; and
- None of the funds expended under any applicable program will be used to acquire equipment if such acquisition results in a direct financial benefit to any organization representing the interests of the purchasing entity or its employees.

LEA agrees to all programmatic assurances included in the application
