# OSSE DOT COVID-19 Exposure Notification Protocol for Students Receiving Transportation

OSSE DOT must be *notified immediately* and suspend transportation services when a school has been informed that a student will need to quarantine as a result of an exposure/suspected exposure, symptomatic or positive case of coronavirus (COVID-19). Students who receive a positive test at school, have COVID-19 symptoms, or who are confirmed to have COVID-19 are to be picked up by a parent/guardian. Under no circumstances can a COVID-19 positive, exposed/suspected exposure, or symptomatic student be transported on an OSSE DOT bus.

- Notify OSSE DOT's Parent Resource Center at (202) 576-5000 to temporarily suspend transportation services for a
  period not to exceed two weeks. Transportation services will automatically resume on the date specified; or
- If the student will be out of school in excess of two weeks, notify OSSE DOT's Parent Resource Center at (202) 576-5000 and inform the LEA Representative Designee/Special Education Coordinator or 504 Coordinator to cancel transportation services via the Transportation Online Tool for Education (TOTE). In the event, the school uses this notification method, the LEA is responsible for notifying OSSE DOT of when transportation services should resume via TOTE. Please submit the request via TOTE at least three business days prior to the date the student is expected to return to ensure service resumes on the specified date;
- Ensure OSSE's Health and Safety Guidance for Schools: Return to School Criteria for Students and Staff has been met prior to resuming transportation services.
