Step One: Orientation

➢ View the online licensing webinar.

❖ Please note in-person licensing orientations are available if there is a high volume of requests.
Select the location of the child development center.

- If a Child Development Center is in a building that houses other entities, the portion of the building designated for the Center must be for the exclusive use of the children and staff of the Center during the Center’s hours of operation.
A Certificate of Occupancy (C of O) can be obtained from:

Department of Consumer and Regulatory Affairs (DCRA)
Building and Land Regulation Administration
Zoning Division
1100 4th Street, SW -2nd Floor
Washington, DC 20024

http://dcra.dc.gov
dcra@dc.gov
Step Four: Submit Application

- Prepare the Initial Application Materials
  - Application
  - Clean Hands Act Certification
  - Original Certificate of Good Standing (if incorporated)
  - $75 Application Fee (made payable to DC Treasurer)
  - Copy of Certificate of Occupancy
  - Copy of Orientation Certificate
  - Federal Background and Criminal History Check Results for applicant
  - Director’s Credentials (if hired at this point)
  - Proof of current liability insurance coverage

- Submit the Initial Application Materials to:
  Office of the State Superintendent of Education
  Division of Early Learning
  Child Care Licensing Unit
  810 First Street, NE-4th Floor
  Washington, DC 20002
The licensing specialist assigned to your Ward will contact you within 10 business days of application receipt.

Prepare the following documents for review:

- Program and Policy Statement
- Emergency Contingency Plan
- Sample 5-day Menu following USDA Child and Adult Food Care Program meal Pattern
Step Six: Initial Inspection

Licensing Specialist will:

- inspect your center to ensure all safety, health, and licensing requirements are met
- review all documents submitted by applicant for initial inspection
- issue a Statement of Deficiencies Report with recommended Plan of Correction (if applicable)

Applicant has up to 60 days to abate existing deficiencies.
Step Seven: Lead Inspection

- Obtain a Lead-Based Paint Clearance from a certified Lead Risk Assessor if the site was built prior to 1979.

- A list of Certified Lead Risk Assessors can be found at:
  
  District Department of the Environment
  1200 First Street, NE 5th Floor
  Washington, DC 20002
  http://www.ddoe.dc.gov

- Submit a copy of your Lead-Based Paint Clearance to your Licensing Specialist upon receipt, prior to the issuance of the license.
Step Eight: Approved Fire Evacuation Plan

- Your Licensing Specialist will make a referral on your behalf to the Department of Consumer and Regulatory Affairs (DCRA), Fire Protection Branch, and Building and Land Regulation Administration.

- A DCRA representative will contact you to schedule a full on-site Fire Prevention Inspection and Fire Evacuation Plan review.

- Submit a copy of your Final Inspection Approval and Fire Evacuation Plan to your Licensing Specialist upon receipt.
Step Nine: Prepare Site

- Purchase developmentally appropriate materials, manipulatives, equipment, cots/cribs that is sufficient for the number of children enrolled.

- Identify program space and set up program learning/activity areas for children.

- Complete staff files which include: a current health certificate, employee health information form, employee appointment form, educational credentials, resume, Sudden Infant Death Syndrome (SIDS) Training, First Aid and CPR certification.

- Prepare sample children’s recordkeeping filing system.
Step Ten: Schedule Follow-Up Inspection

➢ Contact your Licensing Specialist to schedule a follow up inspection and Validation Inspection.
Step Eleven: Initial License Issuance

- License Specialist will access steps one through ten for completion and will issue an initial license.
Licensing Timeline
The licensing process takes approximately 1-3 months. The timeframe in which an applicant receives his/her license heavily depends on his/her availability and the timeframe it takes for the applicant to correct any identified deficiencies.
Regulations and Requirements
The Child Care Licensing Unit has the authority to:

- Enter the premises of any licensed Child Development Facility either with or without notice after presenting proper government identification.
Role of A Licensed Child Development Facility

➢ To protect the health, safety, and well-being of children in licensed Child Development Facilities and to ensure the provision of developmentally appropriate programs to those children.

➢ To be in compliance with The District of Columbia, Title 29 DCMR, Chapter 3, Child Development Facility Regulations
The District of Columbia, Title 29 DCMR, Chapter 3: Child Development Facility Regulations can be found:

Indoor Space Requirements

If a Child Development Center is in a building that houses other entities, the portion of the building designated for the Center must be for the exclusive use of the children and staff of the Center during the Centers hours of operation.
Indoor Space Requirements

- 35 square feet per child (unencumbered space)
- 45 square feet per child (encumbered space)
- One toilet and sink per 10 children (1 to 20 for Out-of-School-Time Programs)
  - Out-of-School-Time age range consists of children of legal school age and under the age of fifteen (15) years, who are enrolled in public, private, or charter schools, before and after normal school hours.
- Separate staff restroom required during normal school hours
- Isolation area for sick children
- Age-appropriate toys, furniture, etc.
Children under the age of two (2) years and six (6) months, as well as non-ambulatory children, may only occupy space on the street level. Unless, the facility receives written approval from the Department of Fire and Emergency Services to care for such children on another level.
Indoor Space Requirements cont.

- Storage space/cubbies/napping equipment
- Space for individual groups/classes
- Drinking water
- Food preparation area to include sink, hot and cold water, refrigeration, and storage
- Facility must be clean, safe, sanitary and in good repair
- Hazardous materials must be inaccessible (i.e. paint, cleaning supplies, etc.)
- Storage areas for poisons must be locked
Each Child Development Facility shall provide a variety and sufficient quantities of materials, equipment and supplies for indoor and outdoor activities, consistent with the numbers, ages and needs of the infants, toddlers, preschool and school-age children enrolled.
Cots and Cribs

- Each child development facility must provide every child enrolled in a full day program with an individual crib or cot.
- Blanket(s) are to be provided by the facility or child’s family.
Examples of Items Not Permitted

- Walkers
- Crib gyms
- Stacked cribs
- Playpens
- Projectile toys
- Tricycle with spokes
Outdoor Space Requirements

➢ All children should be given regular opportunities for outdoor play, in a safe, developmentally appropriate outdoor environment.

➢ If an outdoor play space is not available on the premises, the caregiver shall ensure that all enrolled children are given regular opportunities for safe play at one or more nearby parks or playgrounds.
On-site outdoor activity spaces must have:

- 60 square feet per child
- Fall resilient material (i.e. wood chips, rubber padding, etc.)
- Age appropriate equipment
- Area enclosed by fence (min. 4 ft.)
Each Child Development Center must have at least two (2) staff for each group at all times.

- Teacher and teacher assistant
- Teacher and teacher aide
- Teacher and teacher
The facility shall maintain the adult/child ratios and group sizes as specified herein:

<table>
<thead>
<tr>
<th>AGE OF CHILDREN</th>
<th>ADULT/CHILD RATIO</th>

<th>MAXIMUM SIZE OF GROUP</th>
</tr>
</thead>
<tbody>
<tr>
<td>Under 6 years</td>
<td>1:12</td>
<td>24</td>
</tr>
<tr>
<td>6 years and older</td>
<td>1:15</td>
<td>30</td>
</tr>
</tbody>
</table>
When children of different ages are combined in one group, the adult/child ratio for the youngest child shall apply.

Even if you do not have the maximum number of children in a group, there must be at least two (2) staff members with each group at all times.
The facility shall ensure that no person; including staff, parents, and visitors smoke or use tobacco products within the program space. During hours of operation, all tobacco products must remain out of the reach of children at all times.

When children are in the care of the facility, on or off-site, no staff member shall be under the influence or consume alcoholic beverages or illegal drugs.
Each Child Development Facility shall establish, implement, and display a written policy regarding hand washing, which addresses:

- When hand washing is required for staff and for children
- Specific hand washing procedures
Each Child Development Facility shall locate its diaper-changing area so that it is in close proximity to a source of warm running water and soap and is not in or near the facility kitchen area.
Each Child Development Facility shall have, at all times, at least two (2) staff members who possess current certification in First Aid and CPR for children, and the prevention, recognition and management of communicable diseases.

Each Facility shall obtain and maintain a sufficient quantity of first aid supplies.
Each facility shall comply with the latest recommendations of the American Academy Pediatrics with regard to SIDS which include:

- Unless otherwise ordered by a physician or other qualified health care practitioner, each infant shall be placed on his or her back for sleeping;
- Each infant shall be placed on his or her stomach for some part of the time during which he or she is awake and observed;
- No positioning device shall be used to restrict the movement of an infant unless such device is ordered by a physician or other qualified health care practitioner;
- No soft materials or objects such as pillows, quilts, comforters, sheepskins, and stuffed toys, shall be permitted in an infant’s sleep environment;
- If bumper pads are used in an infant’s crib, they shall be this, firm, well-secured and not pillow-like, and they shall not be placed under a sleeping infant.
- No infants shall be put to sleep on a sofa, soft mattress, waterbed, chair cushion or other soft surface.
In the event that a Child Development Facility permits animals on the premises, it shall comply with the following requirements:

- The Facility shall adhere to all local ordinances governing the keeping and maintenance of animals and shall maintain on the Facility premises, proof of current compliance with all applicable vaccination requirements.

- The Facility shall advise the parent(s) or guardian(s) of the enrolled children of the presence of animals and shall ensure that all pets or animals permitted on the premises are in good health, show no evidence of carrying disease, are friendly toward children, and do not present threat to the health, safety, and well-being of children.
Administration of Medication

- No Child Development Facility may provide medicine or treatment with the exception of emergency first aid, to any child, unless the facility has obtained a written medical order or prescription from the child’s licensed health care practitioner and the written consent of the child’s parent(s) or guardian(s).

- The facility may administer nonprescription topical ointments, including sun block, petroleum jelly, and diaper ointment, to a child, upon obtaining the permission of the child’s parent(s) or guardian(s). Each nonprescription topical ointment must be maintained in its original container, and shall be administered in accordance with the manufacturer’s instructions.
Each Child Development Facility that owns, operates, or maintains one or more motor vehicles used for transporting children shall comply with all applicable federal and District of Columbia laws and regulations governing the maintenance and operation of motor vehicles and the transportation of children.
Child and Adult Care Food Program (CACFP)
CACFP in Childcare Centers

• All enrolled infants and/or children must be served all of the meal pattern components and their minimum portion sizes for each meal type (Breakfast, Lunch/Supper, Snack) whether the parent or center (which includes self-prep or catered meals) provides each component.

• Childcare providers must keep a menu which specifies all of the meal pattern components actually served to infants and/or children for each meal type.

• A Certified Food Manager must be on-site during meal preparation and service.

• Childcare providers must have a 3-day emergency supply of food that meets the CACFP meal pattern requirements on-site to distribute.
Infants in the CACFP

Ages:

- Birth through 11 months (up to 1 year old)
- Subcategories:
  - 0-3 months
  - 4-7 months
  - 8-11 months

USDA Meal Pattern Requirements - Infants

- Infant formula must be USDA-approved and iron-fortified
- Introduce table (solid) foods when infant is developmentally ready (4 through 11 months)
- For infants ages 8 – 11 months:
  - Serve infant cereal and/or appropriate meat or meat alternate at lunch/supper. You are not required to serve both.
  - 100% fruit/vegetable juice may be substituted for breast milk or formula at snack only
  - Serve bread or crackers at snack when developmentally appropriate. You are not required to serve both.
- Meat/meat alternates must be single-ingredient (no combination jarred baby foods, ex: turkey dinner, chicken and apples)
- Combination foods cannot be served (spaghetti, casseroles, etc)

*All meal pattern components listed for each meal type must be served to every child with the exception of “Snack” when only two of the four components must be served.

*The portion sizes listed above are the minimum portion sizes that each child must be served for each meal pattern component for the meal type specified.

*For lunch: please note two fruits, two vegetables, or a fruit and a vegetable must be served.*
USDA Meal Pattern Requirements – Children

- Milk served must be low-fat (1%) or non-fat (skim) for children ages 2 and older
  - There are seven brands of non-dairy soy milks approved by the USDA for substitution of fluid cow’s milk in the CACFP meal pattern requirements:
    - 8th Continent Original Soy Milk
    - Pacific Natural Ultra Soy Milk
    - Pacific Natural Ultra Soy Milk, Vanilla
    - Kikkoman Pearl Organic Soymilk Smart, Creamy Vanilla
    - Kikkoman Pearl Organic Soymilk Smart, Chocolate
    - Safeway Lucerne Original Soy Milk
    - WhiteWave Foods Silk® Original Soymilk
- Fruit or vegetable juice must be full-strength (100%)
- Breads and grains must be made from whole-grain or enriched grain or flour
- A serving of meat/meat alternates consists of the edible portion of cooked lean meat or poultry or fish.
- For lunch/supper: nuts and seeds may meet only one-half of the total meat/meat alternate serving and must be combined with another meat/meat alternate to fulfill the meal pattern component requirement
- For snack: milk and juice cannot be served together
- For snack: a fruit and vegetable cannot be served together because both of those would be considered the same component (juice/fruit/vegetable)
Interested in Receiving Monthly Reimbursement to help offset your costs for CACFP meals?

Licensed childcare centers may participate in the CACFP, either independently or as sponsored centers.

For more information about CACFP and how to apply, please visit www.osse.dc.gov/cacfp
Staffing
Personnel Requirements - General

- In accordance to the Child and Youth, Safety and Health Omnibus Amendment Act (CYSHA) of 2004, as a licensed child care facility in the District of Columbia, any personnel who work or volunteer in a child care development facility are required to participate in a drug and alcohol testing program and conduct criminal background checks.

- Each staff person must also have a Child Protection Register Check.

The Child Development Center shall be managed by a Center Director.

The Center Director shall be assisted by teachers, assistant teachers, and teacher aides.

The Center Director for Out-Of-School-Time Facilities shall be assisted by Group Leaders and Assistant Group Leaders.

The Center Director must be physically present in the facility at least one-half (1/2) of the time during the center’s hours of operation. No less than one-half (1/2) of that time shall be during peak hours of operation.
The Director of a Child Development Center shall meet one of the following requirements:

- A Bachelor’s degree or higher in Early Childhood Education (ECE) or Early Child Development (ECD).
- A Bachelor’s degree or higher in any subject other than Early Childhood Education or Early Child Development requires that the Director has fifteen (15) credit hours in early childhood education or child development and at least one (1) year of experience.
- An Associate’s Degree in Early Childhood Education or Early Child Development with 3 years of experience.
- At least forty-eight (48) credit hours from an accredited college or university in any subject with at least fifteen (15) credit hours in Early Childhood Education or Early Child Development with 4 years of experience.
- A District of Columbia Director Credential as approved by the National Association for the Education of Young Children (NAEYC) with 5 years of experience.
- Employment as a qualified Center Director in a licensed Child Development Center in the District of Columbia on the effective date of these ruled, provided that the Center Director achieved compliance with any of the above within no more than 5 years following said date.
A Teacher shall be at least twenty (20) years of age and meet one of the following requirements:

- An Associate’s degree or higher in early childhood education or early childhood development (ECE/ECD)
- An Associate’s degree or higher in any subject with at least fifteen (15) credit hours in early childhood education or early childhood development with one (1) year of experience.
- At least forty-eight (48) credit hours from an accredited college or university in any subject with at least fifteen (15) credit hours in Early Childhood Education or Early Child Development with two (2) years of experience.
- A valid Child Development Associate (CDA) credential - the credential must specify that the individual is qualified for the assigned age classification
- Satisfactory completion of a child care certification course of no less than 90 hours from an accredited college or university, approved by the Superintendent or his/her designee, with three (3) years of experience.
Personnel Requirements: Assistant Teacher

- An Assistant Teacher shall be at least eighteen (18) years of age and shall meet one of the following qualification requirements:
  - At least twenty-four (24) credit hours from an accredited college or university, plus demonstrated skill and competence with young children as satisfactorily determined by the Center Director.
  - A high school diploma or GED plus certification of training and competence in the field of early childhood education or early childhood development from an accredited vocational high school.
  - A high school diploma or GED plus one year of supervised experience working with children in a licensed child development center.
Each aide or volunteer in a Child Development Center shall work under the direct supervision of a teacher, assistant teacher, group leader, assistant group leader, or Center Director at all times.

The facility shall ensure that no aide or volunteer has sole responsibility for a group or classroom, or for the center, at any time.
Record Keeping
Staff Recordkeeping

STAFF/VOLUNTEER RECORDKEEPING CHECKLIST

- Child care employee appointment, promotion, or separation notification
- Child development facility employee health information form
- Staff health certificate
- Credential/transcript
- First aid and CPR certification
- Food handling identification (if applicable)
- Sudden infant death syndrome training (if applicable)
- Federal criminal and background history check results
- Any applicable forms
CHILDREN’S RECORDKEEPING CHECKLIST

- Registration record
- Travel activity authorization
- Proof parents received, read, and understand program’s policies and procedures
- Authorization for child’s emergency medical treatment
- DC universal health certificate exam
- DC oral health exam certificate
- Medication authorization record (if applicable)
- Developmental progress reports
- Unusual incident reports
- Any applicable forms
In order to receive your licensing application, you must take and pass the online comprehension quiz.

- The quiz has 10 multiple choice questions and one short answer.
- In order to pass the quiz, you must receive 10 out of 10 correct on the multiple choice and a “satisfactory” on the short answer.
- There is no time limit.
- One applicant is allowed two attempts to pass the quiz. If you do not pass after two attempts, you must wait 60 days before taking the quiz again.
- You will receive an email stating whether you passed or failed. Once you have passed, bring a copy of the email to 810 First Street NE, 4th floor to receive your licensing application.
