Accommodations for Special Populations

Four distinct groups of students may receive accommodations on statewide assessments.

Students
with IEPs

Students with
Section 504
plans

Students who
are English
learners

English learners
with disabilities
who have an IEP
or 504 plan
(eligible for
both sets of
accommodations)

Accommodations Available on DC Assessments

- DC Testing Accommodations Manual released December 2015 is still relevant for 2016-2017
- Describes all available accommodations and accessibility features available to students with disabilities
- Crosswalks to each specific assessment
- Select statewide assessments have an additional in-depth manual specific to its own available features (e.g., [PARCC Manual](#))

Manual located on OSSE Testing Accommodations website, along with accompanying resources: <https://osse.dc.gov/service/testing-accommodations>.

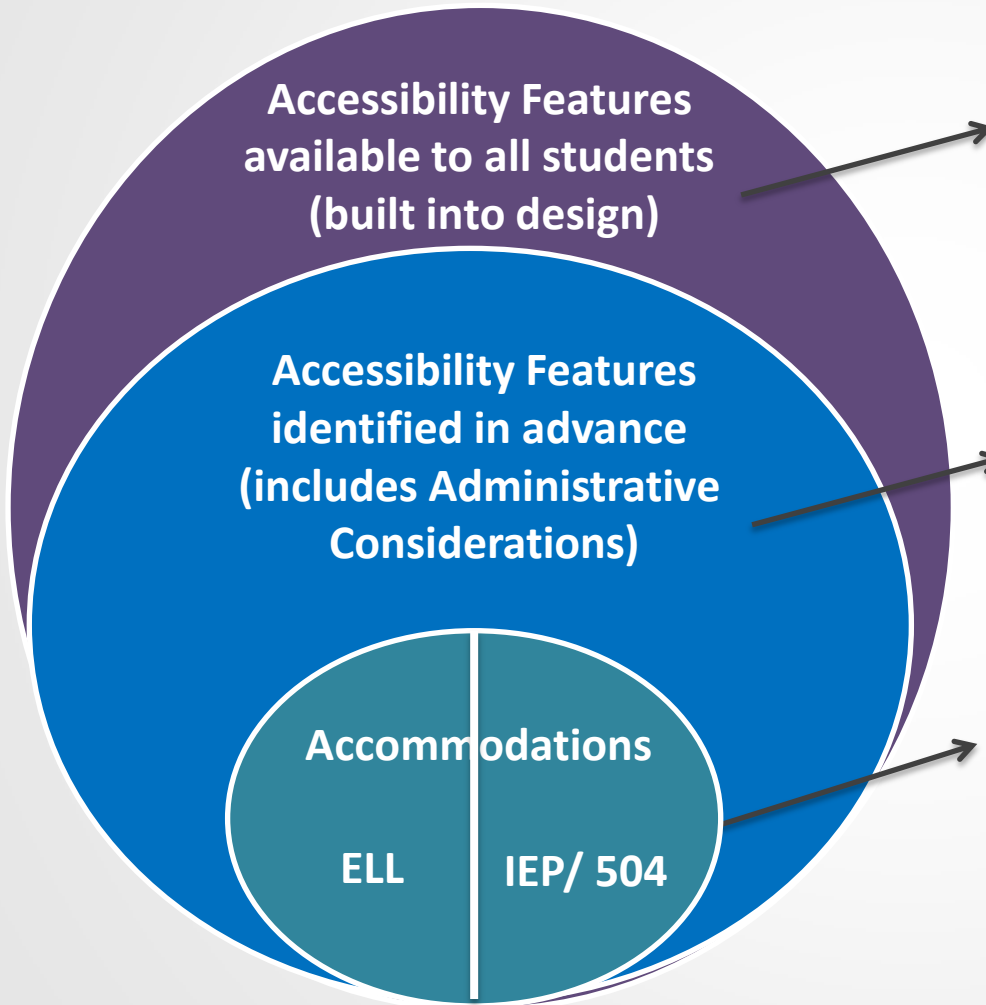

The PARCC Accessibility System

- Updated in Fall 2016 (Fifth Edition)
- All accessibility features and accommodations available on PARCC
- Qualifying criteria for each feature
- In-depth guidance on administering each feature
- Linked to OSSE's Testing Accommodations webpage
<http://osse.dc.gov/service/testing-accommodations>

The PARCC Accessibility System

The PARCC assessment platform includes several accessibility features built into the system that **all students** can access at any time.

Additional accessibility features are available to **any student in need of feature**, but must be specifically selected in student registration for planning purposes.

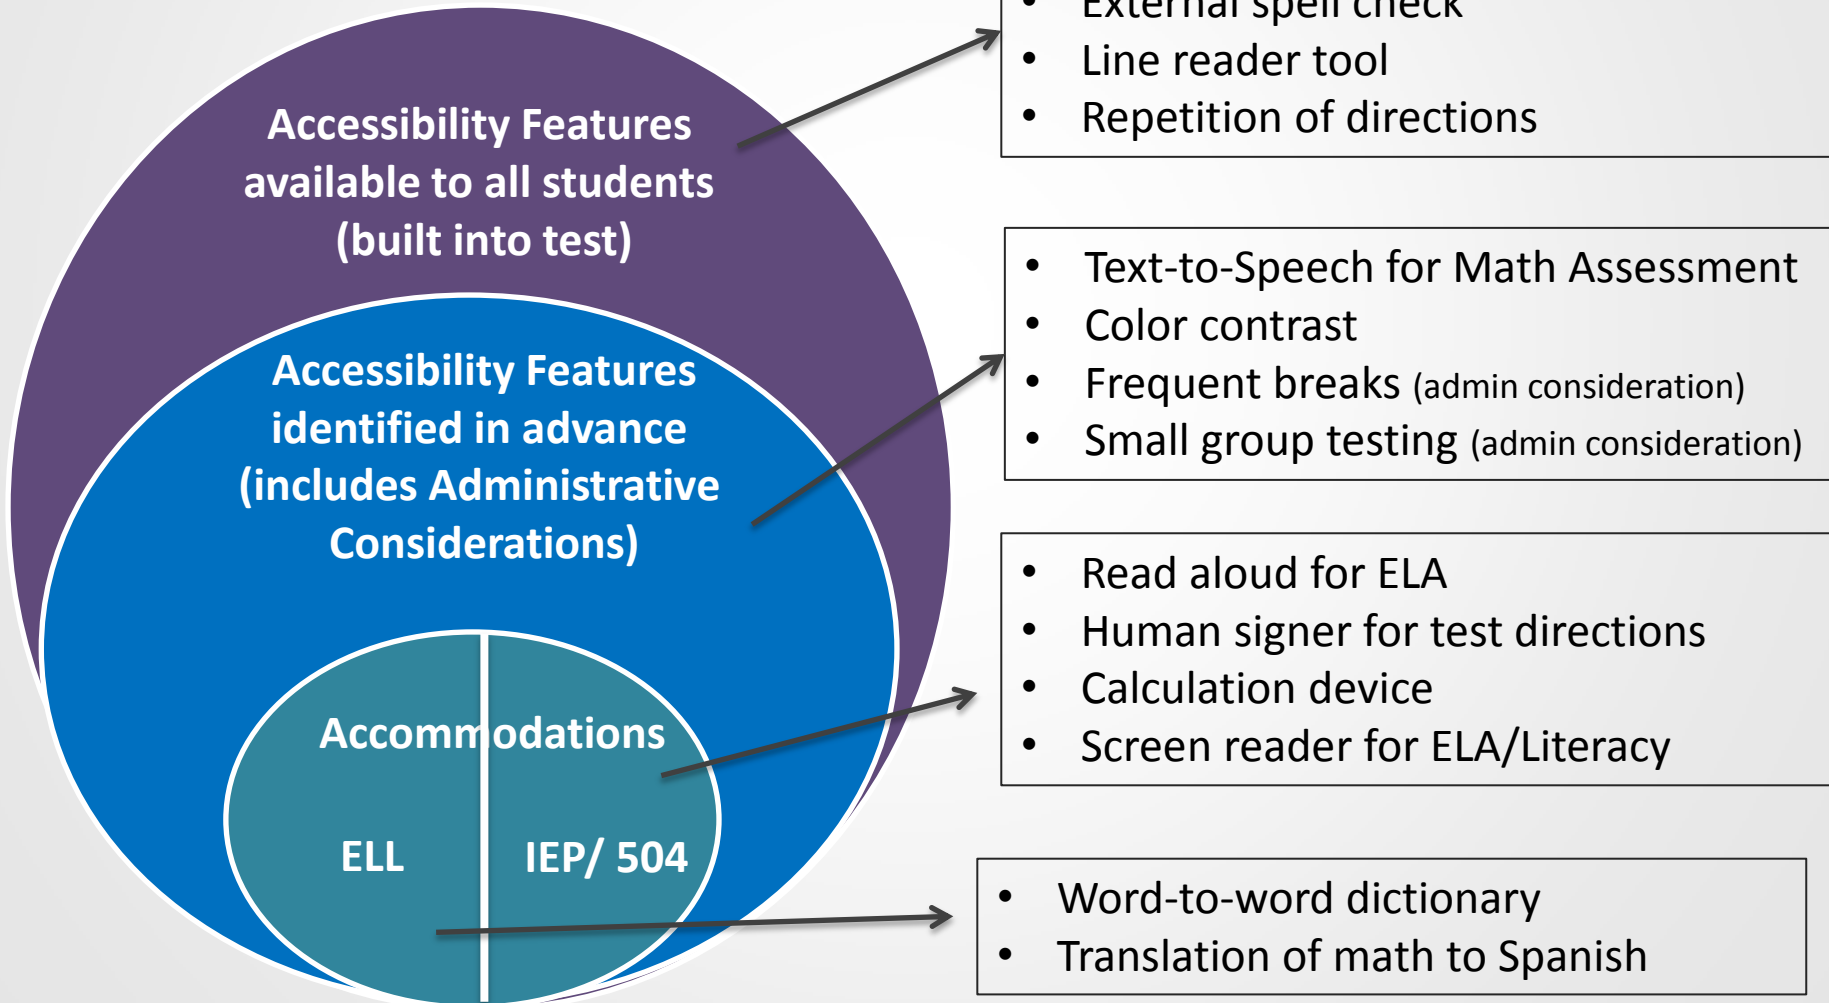

Certain accommodations are available only to **students with disabilities (IEP or 504)** and others for **English learners (ELL) with ELL plans**.

Accommodations must be documented in the IEP/504/ELL plan, and also in the student's PNP.

The PARCC Accessibility System

Examples of each type of feature:

Updates for the 2016-17 School Year

PARCC Assessment Updates

- **General Masking** and **Line Reader** tools have been combined into a single tool: **Line Reader Mask Tool**.
 - Within SEDS: Select **Masking Tool** and/or **Markup Tool** to indicate the student requires this accommodation (either selection is sufficient)
- **Student Reads Assessment Aloud to Him- or Herself** accommodation is now considered an accessibility feature for the PARCC Assessment.
 - This feature is still considered an **accommodation** for purposes of the IEP, even though PARCC considers it an accessibility feature. This is because other statewide assessment may still view it as an accommodation.

In making decisions on whether to provide the student with this accommodation, IEP teams and 504 plan coordinators are instructed to consider whether the student has: <ul style="list-style-type: none">• Blindness or a visual impairment and has not yet learned (or is unable to use) braille; OR <ul style="list-style-type: none">• A disability that severely limits or prevents him/her from accessing printed text, even after varied and repeated attempts to teach the student to do so (e.g., student is unable to decode printed text); OR <ul style="list-style-type: none">• Deafness or a hearing impairment and is severely limited or prevented from decoding text due to a documented history of early and prolonged language deprivation	<p>For the screen reader accommodation, the IEP team or 504 plan coordinator must determine whether the student is blind or has a visual impairment and has not yet learned (or is unable to use) braille.</p> <p>For the text-to-speech, ASL video, or human reader/human signer accommodation, the IEP team or 504 plan coordinator must determine whether the student has a disability that severely limits or prevents him or her from decoding text.</p> <p>This accommodation is not intended for a student reading somewhat (i.e., moderately) below grade level.</p> <p>The IEP or 504 plan must document objective evidence from a variety of sources (including state assessments, district assessments, AND one or more locally-administered diagnostic assessments or other evaluation) that indicate that the student's ability to decode text is severely limited or prevented or that the student is blind or visually impaired and has not yet learned (or is unable to use) braille.</p> <p>States may provide additional guidance for their respective states based on state policy or practice.</p>	<input type="checkbox"/> Agree <input type="checkbox"/> Disagree

Appendix D of the PARCC Accommodations Manual

Checklist to assist IEP teams in determining the appropriateness of assigning a read aloud accommodation.

Read aloud is intended for only a very small number of students. It is not intended for a student who is reading moderately below grade level.

IEP teams should consider relevant student data when making this determination.

DC Science Assessment Accommodations

- Spring 2017 DC Science Assessment will use a platform and registration system similar to the PARCC assessment (Pearson Access Next and TestNav8).
- Some science accommodations do not include the same high-tech options as the PARCC, but still have a low-tech equivalent.
- Examples:

Accommodation listed in SEDS	PARCC Mathematics Assessment Accommodation	DC Science Assessment Accommodation
Screen Reader Technology	Screen Reader Version	Not available. Use Human Reader.
ASL Presentation of Non-ELA/Literacy Assessments	ASL Video for the Mathematics Assessments	Not available. Use Human Signer.
Human Scribe, Speech-to-Text, Human Signer, or External Assistive Technology	Human Scribe	Human Scribe
	Speech-to-Text	<i>Not available—use Human Scribe or External Device</i>

DC Science Assessment Accommodations

OSSE is currently working with the test vendor to identify **existing features that can be updated to a more high-tech option**, to more closely align the Science features with existing PARCC Mathematics features. **ALL UPDATES ARE TENTATIVE.** OSSE will inform LEA test administrators and LEA SE POCs upon finalization.

ACCESS 2.0 Accommodations

- A complete list of the allowable accommodations, accessibility tools, and test administration procedures is available in the [ACCESS for ELLs 2.0 Accessibility and Accommodations Descriptions](#)
- [ACCESS for ELLs 2.0 Accessibility and Accommodation Guidelines](#) provide information for educators as they guide English Language Learners (ELLs), with and without disabilities, through ACCESS for ELLs 2.0, an English language proficiency (ELP) assessment from WIDA.

Documenting Assessment Accommodations in the IEP

Classroom vs. Assessment Accommodations

When developing the IEP, the user can independently select classroom versus statewide assessment accommodations.

Purpose: Allows for more flexibility to choose specific accommodations for each setting.

Documenting Accommodations

Joey has an IEP. Sally has a Section 504 plan.

1. IEP team makes decisions about Joey's accommodations and documents in **finalized IEP**. Sally's accommodations are documented in her **finalized Section 504 plan**.
2. Test Coordinator ensures all accommodations for Joey and Sally are listed in the **Student Registration** system, including the Personal Needs Profile (PNP), for each statewide assessment.
3. **School Test Plan** includes provisions to ensure Joey and Sally receive their accommodations.

Changes to the IEP for Accommodations

Issue: Joey's IEP was finalized in August 2016, but in February 2017 his IEP team determines that additional accommodations are needed.

Solution: The IEP team must conduct an IEP amendment using one of two options:

- 1) Convene an **IEP amendment meeting** to discuss and finalize the new list of accommodations in the IEP.
- 2) In lieu of a meeting, use the **documented written agreement method** by sending the required paperwork to the parent/guardian describing the proposed changes to Sally's assessment accommodations, and asking for consent.

Changes to the IEP for Accommodations

Issue: Joey has his annual IEP meeting at the end of March 2017, and new accommodations are added to his updated IEP. However, the school completed all PARCC student registration earlier in March.

Solution: The student registration file (including the Personal Needs Profile) will need to be updated to capture these new accommodations.

Additionally, if this is an online assessment and the school has already done proctor caching, the cache will need to be re-cached to ensure Joey's changes are uploaded to the online platform.

Unique Accommodations Requests

Unique Accommodations Requests

Issue: Joey’s IEP team determines that he needs an accommodation that is not listed in SEDS.

Solution:

STEP 1: The IEP team must document the accommodation using the “Unique Accommodations” box within SEDS.

STEP 2: The IEP team must complete the PARCC Unique Accommodations Request Form: [PARCC A&AF Manual Appendix F](#)

OSSE currently utilizes the official PARCC form for ALL statewide assessment unique accommodation requests

STEP 3: The LEA uses the OSSE Support Tool to submit the request to OSSE by uploading the form (secure data transfer).

STEP 4: OSSE reviews the request and provides a determination to the LEA.

Unique Accommodations Requests

Please list ALL statewide assessments for which you are requesting the unique accommodation, not just PARCC.

PARCC Test Administration

For which PARCC assessment are you seeking approval to use the unique accommodation:

Provide a brief description of the accommodation for which you are requesting approval:

Describe the evidence that supports the need for this accommodation, including how it is used by the student in the classroom or on other assessments:

Describe the planning needed for this accommodation on PARCC tests (e.g., school staff, space, specialized tools or equipment needed):

The required form asks the IEP team to describe the evidence that supports the need for the unique accommodation requested.

Unique Accommodations Requests

- In OSSE Support Tool select **'Assessments-Other'** for the issue type
- Provide student name, DOB, USI
- Attach the Unique Accommodation Request Form

The screenshot shows the OSSE Support Request form interface. At the top, there are navigation links for Home, Quick Reference Guides, and Previous LEAs. Below this is a section for 'Issues' with an 'Add Issue' button. The main section is titled 'OSSE Support Request' and includes 'Directions: Use this form to request support for SEDS.' The 'Issue Type' dropdown menu is open, showing a list of options. 'Assessments - Other' is highlighted in blue. To the right of the dropdown is a text input field labeled 'If Other, Please Specify:'. Below the dropdown, there is a 'Last Name' label and a corresponding text input field.

DC Alternate Assessment Accommodations

MSAA has several accommodations that require documentation in the IEP in order to be used.

DC Science Alternate Assessment will remain in portfolio form for 2016-17 school year, thus requiring only classroom accommodations.

PARCC Accommodations Tutorials

Teachers and students can practice using computer based accommodations.

The screenshot shows a web-based interface for a PARCC tutorial. At the top, there is a navigation bar with a back arrow, a forward arrow, a 'Review' dropdown menu, a 'Bookmark' button, and a set of utility icons (mouse, eraser, pencil, close). The user is identified as 'Guest' with a profile icon. Below the navigation bar, a dark grey header displays the text 'GRADE 05-06 MATHEMATICS ASL TUTORIAL / SESSION 1 / 1 OF 4'. The main content area is divided into two sections. On the left, a white box contains a math problem: 'Jim uses ribbon to make bookmarks. Jim has 9 feet of ribbon. He uses $\frac{1}{3}$ foot of ribbon to make each bookmark. What is the total number of bookmarks Jim makes with all 9 feet of ribbon? Enter your answer in the box.' Below the text is an input field with a placeholder 'bookmarks'. On the right, an 'ASL Video Player' window is open, showing a man in a black shirt signing. The video player has a play button, a progress bar showing 00:01 / 00:35, and a volume icon. Below the video player, there is a 'Question' section with a dark background.

Request Options

Add Request for Support
Click on this button to submit and issue.

Request Transfer of Student Records
Click on this button to request the transfer of student records

Review of Transfer Requests
Click on this button to review the status of transfer requests.

- To request student records for new students, click the **“Request Transfer of Student Records”** button (**for independent LEAs ONLY**).
- To review the status of submitted transfer requests, click the **“Review of Transfer Requests”** button.
- **Dependent Charter LEAs** must go through the DCPS Help Desk to resolve any issues with SEDS: (202) 442-9281 SpedODA@dc.gov.

Nonpublic Access to SEDS

- NP SEDS POCs are responsible for obtaining a **SEDS aggregate account** for themselves and all relevant nonpublic staff (even if a staff member only needs access to one LEA's SEDS site)
 - NP SEDS POC makes request through the **OSSE Support Tool**
 - NP SEDS POCs should **never ask the LEA** to create a SEDS account for a nonpublic staff member.
 - LEAs are not responsible for managing nonpublic SEDS accounts overall. They only manage **nonpublic access to specific students**.
- Access to individual students in SEDS
 - The LEA SE POC is responsible for providing student access to nonpublic staff members, who already have SEDS aggregate accounts (set up by OSSE), when the **request is made by the NP SEDS POC to the LEA SE POC**.

Announcements & Reminders

Feedback on New Design of SEDS
