Extended School Year

Extended School Year

- ESY requires two certifications by May 1, 2017.
 - SEDS ESY certification
 - If a student will require transportation, then the certification process in SEDS must be completed by April 30 in order to allow for TOTE to update.
 - TOTE Transportation certification

SLED ESY Module

- Each LEA is required to provide OSSE with their ESY site locations by **Monday, April 10**.
 - Dependent charters sites will be provided by DCPS.
 - Send site locations to Stephanie.Davis3@dc.gov.
- Trainings are scheduled for the following dates:
 - April 4 - 1 - 2 p.m.
 - April 6 - 10 – 11 a.m.
 - April 10 - 10 – 11 a.m.
 - April 11 - 1 – 2 p.m.
- The module will be available for use on Monday, May 1.
- All independent charters must complete the attendance status of their students within five business days of the end of their ESY period.

Summer School

Summer School

- LEAs offering summer school must upload the roster in the OSSE Summer School application by June 9.
- LEAs will have the opportunity to add students manually beginning June 12.
- For questions regarding summer school, please contact Stephanie.Davis3@dc.gov.

Calendars and Points of Contact

Calendars and Points of Contact

Calendars

- LEAs participating in ESY and/or summer school must complete these calendars in eSchoolPLUS by April 21.
- 2017-18 school year calendars must be completed by June 2.

Points of Contact

- LEAs should continue to make updates to the Points of Contact throughout the summer.

Residency

Residency

- Residency training was held Monday, March 20.
- For more information, please contact Terasita.Edwards@dc.gov.

Exit Management

Exit Management

Exit Management:

- Is the process of maintaining accurate exit codes with appropriate supporting documentation for each student's exit instance.
- Will allow for a more accurate view of the LEA's roster for purposes of enrollment audit, ACGR and other data verifications.

Exit Management

- Expected release: April 2017
- Number of current exits that require documentation ~ 1,400+

Closing Out 2016-17
School Year

Closing Out 2016-17 School Year

In preparation for the end of school, LEAs should:

- Resolve all conflicts in the LEA Membership Tracker,
- Exit all students after the last day of school with the appropriate exit code, and
- Register and attend scheduled trainings.
 - Please access the [OSSE Data Systems Training Registration](#) site to register.

Year End Transition

Year End Transition

- Year End Transition will occur Friday, July 7.
- The 2017-18 school year will begin Monday, July 10.

Start of School Priorities

Start of School Priorities

Goal: Transform the start of school for our education partners by making their lives as easy as possible so they have more time to focus on what matters most: serving students and families.

- **Reducing the requests** we make of schools and families during the important time
- **Improving our communications** to schools with greater clarity, timeliness and coordination across the agency
- **Offering user-driven, helpful tools** to aid schools in solving problems
- **Enhancing the responsiveness and quality of services** that support LEAs and students at the start of school

Start of School Priorities

Four high-priority projects identified based on feedback from LEAs...

- **OSSE Support Tool:**
 - **Goal:** Provide timely and accurate responses to OST tickets; increase LEA capacity to troubleshoot independently.
- **Transportation for students with disabilities**
 - **Goal:** Provide transportation services to all eligible students, beginning on the first day of school.

Start of School Priorities

- **Early Access to Information for Students with Disabilities**
 - **Goal:** Provide timely and appropriate data access to all LEAs as soon as OSSE becomes aware of a student's intent to enroll in a different LEA.

- **Data Transfer:**
 - **Goal:** LEAs are successfully mapped and data are being transmitted to the SLED system one week prior to their respective start of school.

Data Transfer

Data Transfer

LEA Data Mapping

- Available Monday, May 1
- Targeted completion Thursday, June 1

Configuration Session

- Target completion as least one week prior to the LEA's start of school.
