# Student Aid Report (SAR)

The Student Aid Report (SAR) is a supporting document required for the completion of the DC OneApp. The SAR is obtained by completing the Free Application for Federal Student Aid (FAFSA) as administered by the U.S. Department of Education. The SAR provides important information regarding the applicant's need for federal financial.

Though DCTAG is not need-based, and the grant is federally funded, the US General Accounting Office recommended that all applicants complete the FAFSA to ensure compliance with all federal eligibility requirements.

The FAFSA can be completed by visiting [www.fafsa.ed.gov](http://www.fafsa.ed.gov). Applying online is generally faster and easier because there are help-guides throughout the application. Process time for online applications is one (1) to two (2) business days.

DCTAG accepts both the PDF and the HTML versions of the applicant's SAR as long as the SAR has been successfully processed and has an Estimated Family Contribution (EFC) calculated.

# Student Aid Report Sample (PDF)

**Federal Student Aid FAFSA**  Form Approved OMB No. 1845-0001 App. Exp. 12/31/2019

2018-2019 Electronic Student Aid Report (SAR)

The SAR summarizes the information you submitted on your 2018-2019 Free Application for Federal Student Aid (FAFSA).

Application Received Date:	10/03/2017	XXX-XX-	MI 01
Processed Date:	10/04/2017	EFC: 003720 * C	DRN:

**Comments About Your Information**  
Learn about federal tax benefits for education, including the American Opportunity Tax Credit (AOTC).

Based on the information we have on record for you, your EFC is 003720. You may be eligible to receive a Federal Pell Grant and other federal student aid. Your school will use your EFC to determine your financial aid eligibility for federal grants, loans, and work-study, and possible funding from your state and school.

Your FAFSA has been selected for a review process called verification. Your school has the authority to request copies of certain financial documents from you and your parent(s).

There is a limit to the total amount of Federal Pell Grants that a student may receive, which is the equivalent of 6 school years. Once a total amount of Pell Grant eligibility has been received, a student can no longer receive Pell Grant aid.

**WHAT YOU MUST DO NOW** (Use the checklist below to make sure that all of your issues are resolved.)

We could not send your name to Selective Service as you requested because you did not give us enough information, you are outside the age range for registration, or you did not sign your form. If you are male and at least 19 but not yet 26, to receive aid you must do one of the following: (1) answer "Male" to Item 21 and "Register Me" to Item 22 by clicking "Make FAFSA Corrections" on the "My FAFSA" page and also provide information for Items 1, 2, and 9, (2) complete a Selective Service registration form at your local post office, or (3) register online at <https://uss.gov>. If you are a male who is age 26 or older, you must check the Selective Service Web site at <https://uss.gov>. Select "registration info" and then "Who Must Register?" for more information. Contact Selective Service at 847-888-6888 only after reviewing the SSS Web site information. You must resolve your registration status before you can receive federal student aid. You are exempt from registering if born before 1980.

If you need to make corrections to your information, click "Make FAFSA Corrections" on the "My FAFSA" page using your FSA ID. If you need additional help with your SAR, contact your school's financial aid office or click the "Help" icon on the FAFSA home page. If your mailing address or e-mail address changes, you can make the correction online.

Based on your EFC of 003720, you may be eligible to receive a Federal Pell Grant of up to \$2,170 for the 2018-2019 school year provided you have not met or exceeded the lifetime limit established for the Federal Pell Grant program.
