

DC Public Library

National Lead Poisoning Prevention Week is almost here!

The DC Managed Care Collaborative invites you to join us for our Lead Awareness Event!

Saturday, October 28, 2023

**The Martin Luther King Jr. Library
901 G St NW, Washington, DC 20001**

11:00 a.m. - 2:00 p.m.

- Learn about the importance of protecting your child from lead exposure
- Receive on-site lead screenings by LabCorp
- Games and activities for children
- Community resources and giveaways
- Special guest appearances by Wendy the Water Drop, Captain Amerigroup and Princess Tiana!

Lead poisoning can have serious and lasting effects on children’s health and development. It is now required for children to be tested for lead poisoning twice by the age of two. Detecting lead early helps reduce the risk of developmental delays and lifelong health challenges.

This event is hosted by the Department of Energy & the Environment, DC Public Library, and the Managed Care Plans.
