

Data Management

Start of School

- 62 of 68 LEAs are sending data to SLED
 - 58 are in SEDS
- If your LEA is not sending data to SLED, please connect with your DAR data liaison today.
- Please enter the student's legal name in the SIS. Nicknames and other connotations should not be included in the data.

Unified Data Errors

Unified Data Errors Summary

Enrollment Data Errors

Duplicative Enrollments

Attendance Data Errors

Special Education Data Errors

Total Data Errors

90,227

Enrollment Data Errors

17,137

Duplicative Enrollments

5,296

Total Unique Students

22,388

Attendance Data Errors

63,111

Special Education Data Errors

4,683

As of Aug 24

- Please review data errors weekly.
- Work with your DAR data liaison to resolve issues.

Attendance

OSSE, in collaboration with PCSB, will manage attendance data to ensure resolution of errors monthly.

Missing Attendance Code

- Enter attendance in SIS

Unknown Attendance Code

- Review LEA Data Mapping

Stage 5 Enrollment; No Attendance

- Add student in Attendance File

Attendance on Non Enrolled Days

- Review eSchoolPLUS Calendar

Duplicative Enrollment Resolution

Pre-
Enrollment
Audit

- Work with LEAs to resolve prior to Oct 5

Enrollment
Audit

- Resolution occurs in the EA/CC application

Post
Enrollment
Audit

- Duplicate EA/CC process

Duplicative Enrollments

Impacts

- Students with disabilities do not receive the appropriate services nor transportation.
- If Stage 5 enrolled, attendance is expected for the student.
 - If marking the student as absent, truancy protocols should be followed.

Qlik Entity Management

On **Aug. 30**, OSSE will release the new Qlik Entity Management application. Qlik Entity Management will show LEAs:

- The LEA's School/LEA Information Management System (SLIMS) information
 - LEA Code, School Code
 - LEA Name, School Name
 - Admin Address, School Address and Ward
- The LEA's Points of Contact identified in eSchoolPLUS
- List of all LEA Data Managers across LEAs

Qlik Tokens Allocation Plan

LEA Staff	LEA Action	OSSE Action
All Priority eSP POCs	Update POC list in eSP by September 8	Automatic token assignment by Sept 22
Remaining eSP POCs	Submit OST ticket requesting staff access	Confirm POC in eSP and allocate tokens Oct 6
Related service providers	Update all RSPs in SEDS by Sept 29	Pull list from SEDS and allocate tokens by Oct 27
Teachers	Update POC list with teachers by Oct 13	Confirm POC in eSP and allocate tokens Nov 10

Priority POCs

LEA Data Manager

LEA SE POC

Enrollment Audit POC

Homeless Liaison

eSchoolPLUS Updates

The Division of Data, Assessments and Research will be changing the eSchoolPLUS URLs on **Thursday, August 24, 2017 between 8:00PM– 11:00PM**. eSchoolPLUS will be available to users of the application during this time.

What will change?

- eSchoolPLUS URL will change to <https://oss.eschoolplus.powerschool.com/eSchoolPLUS>.
- The old URL will automatically be redirected to the new URL until September 30, 2017.
- Users will enter their same username and password to access eSchoolPLUS.
- Should you have any issues accessing eSchoolPLUS on Friday, August 25, please submit a ticket in the [OSSE Support Tool](#).
