Daily Screening Tracker: Staff

An Optional Tool to Support the Implementation of OSSE’s Guidance for Child Care Providers and Families Related to Coronavirus (COVID-19)

Date: _____

Staff Name	1. CONFIRM: Did the staff member provide photo evidence, or verbally confirm, that their temperature was less than 100.4F on physical check two hours or less before arrival?	2. ASK: Has the staff member or any member of the household had a fever of 100.4F or higher, cough or shortness of breath?	3. LOOK: Does the staff member have visible signs of illness such as flushed cheeks, rapid breathing or difficulty breathing (without recent physical activity)?	4. Does the staff member meet any criteria for exclusion?*	5. If yes to question 4, was the staff member excluded?

***Exclusion Criteria:** Any child or staff member reporting a fever of 100.4 degrees or higher on physical check *OR* with signs of illness on visual inspection *OR* acknowledging that they or any member of their household has had fever, cough or shortness of breath shall not be admitted. Such families or staff shall be instructed to call their health care provider to determine next steps.
