TITLE IV, Part A: Student Support and Academic Enrichment Grants

PURPOSE: To improve students’ academic achievement by increasing the capacity of LEAs to— (1) provide students with access to a well-rounded education; (2) improve school conditions for student learning; and (3) improve the use of educational technology.
Title IV, Part A – Allocation Calculation

LEA’s prior year Title I allocation share × Total allocation
Title IV, Part A – Allocation Calculation

Title IV-A funds are allocated proportionally among LEAs by the relative share of their prior year’s Title I-A allocation, with a $10,000 minimum funding amount.

- After initial allocation, eligible LEA’s allocations are proportionally adjusted to ensure that all LEAs receive at least $10,000.

Final allocations for individual LEAs may fluctuate year-to-year as a result of:

- Variance in the number of qualifying LEAs and/or their relative shares of Title I-A funding
- Reallocations from other LEAs; and/or
- Changes in the District’s state-level allocation

Title IV-A: Program Requirements
Intent and Purposes

To improve students’ academic achievement

Provide all students with access to a well-rounded education;

Improve school conditions for student learning; and

Improve the use of technology in order to improve the academic achievement and digital literacy of all students.
Understanding the Needs

ESSA requires LEAs receiving more than $30,000 in Title IV funding to conduct a comprehensive needs assessment to plan the program once every three years.

Examine the needs for improvement of:

| Access to and opportunities for a well-rounded education for all students |
| School conditions for student learning in order to create a healthy and safe school environment |
| Access to personalized learning experiences supported by technology and professional development for the effective use of data and technology |

Required Periodic Evaluation

Title IV Program Evaluation Required by ESSA

• Objectives and intended outcomes of the Title IV program activities are described in the application
• LEAs must evaluate the effectiveness of the Title IV activities periodically (at least once every three years)(Sec. 4106(e)1(E))

Continuous Improvement for Title IV Activities

Evidence may include:

- Teacher conference meeting notes
- Student academic data
- Teacher observations
- School climate data
- Parent and family engagement policy and activities
Fiscal Monitoring

The most common findings or areas of improvement for LEAs in the recent Annual Grants Monitoring cycles were related to the following:

- Documentation of procurement policies and procedures
- Expenditure records (invoices, contracts, payments)
- Accounting records
- Time and effort certifications
## Procurement Policies and Procedures

### ALL LEAs

- **Education Department General Administrative Regulations** (EDGAR)
- **Uniform Grants Guidance** (UGG)

### DCPS

- District of Columbia Municipal Regulations (DCMR)

### CHARTER LEAs

- District of Columbia Public Charter School Board Procurement Contract Submission Policy
### Time and Effort Certifications

For all personnel expenditures, LEAs should collect and maintain time and effort certifications.

| Time and Effort Certifications **must:** | - Include the name, title, and grant role (cost objective) of the employee or contractor;  
| - Be validated with a supervisor’s signature; and  
| - Be dated to align with the grant period;  
| - Be signed by the employee and dated after the fact;  
| - Match payroll records; and  
| - Account for total activity (100% of time) |

| Time and Effort Certifications **should:** | - Be validated with a supervisor’s signature; and  
| - Be completed quarterly, at a minimum, for personnel on multiple grants |

| Time and Effort Certifications **may:** | - Follow a semi-annual report pattern for personnel on a single grant; and  
| - Be signed electronically within a secure system |
Parent and Family Engagement Activities

- Develop the Title IV application through consultation with parents
- Engage in continuous consultation with parents in order to improve the Title IV activities
- Create a system that tracks parent consultation events
Documentation of Stakeholder Engagement

Types of documentation:

- Revised versions of policies
- Email conversations

Not all engagement is documented the same way:
