

## LITERACY EDUCATION TASK FORCE

The Office of the State Superintendent of Education (OSSE) is required to publish a list of tier 1 literacy curriculum in use by each school within local education agencies (LEAs) serving students in grades K-5, per the [“Implementation of the Early Literacy Education Task Force Recommendations Amendment Act of 2024”](#). The list of disaggregated by school curricula\*, reported as of December 2025, aligns to LEAs’ adoption of a science-based literacy program, under [DC Law 23-191](#). LEAs may choose to adopt new literacy curriculum from OSSE’s [high-quality science-based literacy programs list for K-5](#) that is not reflected on this list.
