

# CONSIDERING A TRIP?

To help limit the spread of coronavirus (COVID-19) and to protect the health and safety of all children and staff of schools and child development facilities, **travel outside of the District, Maryland or Virginia remains discouraged at this time.** As travel increases, so does your chances of becoming infected and spreading COVID-19. Staying home is the best way to protect yourself and others from getting sick.

Please remember children, teachers and staff returning from travel outside the District, Maryland or Virginia, or any place other than a low-risk state, territory or country, must complete the following before returning to school or child care:

**SELF-MONITOR AND LIMIT DAILY ACTIVITIES, INCLUDING STAYING HOME FROM SCHOOL OR CHILD CARE, FOR 10 DAYS UPON RETURN TO THE DISTRICT**

**OR**

**LIMIT ACTIVITIES AND SELF-MONITOR UNTIL THEY ARE TESTED FOR CORONAVIRUS (COVID-19) (AT LEAST THREE TO FIVE DAYS AFTER THEIR RETURN) AND RECEIVE A NEGATIVE RESULT.**

**NEW:** Travel-related testing and quarantine requirements may be waived if an individual:

Has tested positive for COVID-19 within the last 90 days AND does not have any symptoms consistent with COVID-19

**OR**

Is fully vaccinated against COVID-19 AND does not have any symptoms consistent with COVID-19.

An individual is considered fully vaccinated 14 days after completion of a COVID-19 vaccination series (after the second dose of a 2-dose series, or after one dose of a single-dose vaccine).

Note: The COVID-19 vaccine is currently not available to children under the age of 16. Non-vaccinated children must continue to follow the travel restrictions before returning to school or child care, even if their parent/guardian(s) are fully vaccinated against COVID-19.

## REMEMBER

Individuals must quarantine while awaiting COVID-19 test results.

All individuals who have traveled must closely monitor for symptoms of COVID-19 for 14 days after their return, including those who are fully vaccinated. If symptoms develop, they must immediately isolate and seek further guidance from a health care provider.

Institutions and employers may enforce additional restrictions, as deemed necessary. For a list of high-risk states and to learn more about the District's travel restrictions, please visit: [coronavirus.dc.gov/phasetwo](https://coronavirus.dc.gov/phasetwo).
