3. **Is your child awaiting a COVID-19 test result after experiencing symptoms of COVID-19?** YES NO
4. **Within the past 10 days, has your child had close contact with someone who is confirmed to have COVID-19?** YES NO

If you answered **YES** to any of the questions

Your child must not attend school in-person.

1. Follow the school's protocol to report your child's absence.
2. If your child is experiencing symptoms of COVID-19, call their healthcare provider, who will determine whether COVID-19 testing is necessary.
3. If your child uses OSSE-provided transportation, call the Parent Resource Center at (202) 576-5000 or email dot.parentcallcenter@dc.gov to report your child's absence.

If you answered **NO** to each question

Your child may attend school today!

Please check with your child's school for the school's attendance policy if your child:

1. Has a symptomatic household member awaiting COVID-19 test results.
- OR
2. Has traveled in the last 10 days to any place other than Maryland or Virginia.

1 If your child has a pre-existing health condition that presents with specific COVID-19-like symptoms, they may attend school if a healthcare provider has provided written or verbal documentation that those specific symptoms are not due to COVID-19, provided that the answer is "no" to each of the other questions.

2 If your child was tested for COVID-19 on day 5 or later of the quarantine period and received a negative test result, then they may attend school (provided that you do not answer "yes" to any of the other questions).

3 If your child did not attend school for 7 days, got tested for COVID-19 3-5 days after returning to DC, AND received a negative COVID-19 viral test, then they may attend school (provided that you do not answer "yes" to any of the other questions).

Fully Vaccinated Students

A person is considered fully vaccinated 14 days after completion of a COVID-19 vaccination series (after the second dose of a 2-dose series, or after one dose of a single-dose vaccine).
