Using the FY22 ESSER Application Guide

This guide supports local education agencies (LEAs) in completing fiscal year 2022 (FY22) ESSER II-CRRSA applications.

The document includes an overview of the ESSER II-CRRSA sections in the Enterprise Grants Management System (EGMS). It also includes checklists for each section that aim to reduce the number of applications that are returned for changes.

LEAs can use the Table of Contents to search for select information or search by key terms. Each section in the Table of Contents is hyperlinked to the section in the document below. LEAs can also search for key terms by selecting "Ctrl+F" on their keyboard to use the find function.

LEAs are encouraged to contact their ESSER grant manager to review applications before submitting in EGMS.

Additional resources that you can refer to to assist you with completing your application are:

Resource	Description
ESSER Allowable Uses	One-page description of allowable activities under ESSER.
ESSER II-CRRSA Budget Codes	Document designed to support LEAs in categorizing costs when planning ESSER activities. The codes will be used to complete the EGMS Detailed Planned Expenditures tab.
ESSER II-CRRSA Funding Strategy Guide	Strategy guide to support LEAs in maximizing ESSER II-CRRSA to mitigate, prepare for, respond to the pandemic.

Please contact OSSE.ESSER@dc.gov or your ESSER grant manager if you have any questions that are not addressed in this document.

Section	Description
Overview	Provides a brief description of ESSER II-CRRSA. The description includes information about the purpose of ESSER II-CRRSA, the grant period uses of funds, the application due date, and program contact.
Contact Information	Provides details for the main contact person(s) for the ESSER grant program
Funding Distribution	LEAs can find allocation information here. This includes current and prior year funds.
Spending Priority Areas	In alignment with USED priorities for ESSER categories that support responding to, preparing for and mitigating the impact of the pandemic. The priority areas are: • Safely Reopen Schools • Address Specific Needs • Address Learning Loss • Other Use of Funds
Mitigating Learning Loss Plan	This section details how LEAs will measure and address learning loss due to the pandemic. LEAs can use the information from their Continuous Education Plans to complete this section.
GEPA Narrative	Details how LEAs will make sure every student has access to and can participate in ESSER grant programs. Only information that applies to ESSER activities should be included in this section.
Facilities Costs	This section should be completed if the LEA intends to use ESSER to acquire, alter, remodel, repair, renovate or extend school facilities and their construction proposal has been approved by OSSE. LEAs should upload all relevant construction documents including: • Concept Proposal Form • Additional Questions • Signed Assurances
Detailed Planning Expenditures	Provides a detailed list of all planned expenditures for ESSER. Be sure to note the following:

Section	Description
	- LEAs must select a Budget Code that aligns to one of the four spending priority areas. - Write a description of the purpose of the purchase. Be sure to include how the purchase will help the LEA prepare for, respond to, and mitigate the impact of the pandemic. - Cost assumptions should convey the quantity or scope (e.g., cost per unit/item) provided by an expenditure.
Supporting Documentation	This section should be completed if OSSE requests additional documentation. LEAs must upload their final ESSER II-CCRSA Grants Award Notification (GAN) received Dec. 22, 2021, in this section. Please email OSSE.ESSER@dc.gov if you require a copy of the GAN.
Award Administration	Provides key details (including monitoring information and terms and conditions) that LEAs must adhere to throughout the grant program.
Assurances	Includes programmatic assurances that LEAs should adhere to throughout the grant program. The assurances section should be completed before submitting the application.
Submit	Section where LEAs can click button to submit the application.
Application Print	Provides LEAs the option to print the application.
Application History	Provides details on the status of the application.

Checklists: ESSER II-CRRSA

These checklists support LEAs in completing the ESSER application while minimizing the likelihood that the application will be returned for changes. LEAs are encouraged to ensure all items on the checklist are addressed before moving to the next section.

Overview and Purpose

The Mitigating Learning Loss Section provides details on how LEAs are measuring and addressing learning loss as a result of the pandemic. *LEAs are encouraged to use responses from their approved* Continuous Education Plans *(CEP). Any CEP updates to the LEA mitigating learning loss plan should be reflected in this section as well.*

Before moving to the next section, ensure the following items are completed appropriately:

☐ Provide a brief description of the information LEAs used to measure learning loss (e.g., attendance, grades, retention data, diagnostic assessments or formative assessments, progress monitoring, teacher assessment data);

☐ Provide a brief description of interventions used to address learning loss;

☐ Provide a brief description of which student subgroup(s) will participate in each intervention selected; and

☐ Provide a brief description of how the intervention used to mitigate learning loss will be regularly reviewed for effectiveness. This review should highlight specific subgroups that are disproportionately impacted by the pandemic (low-income students, students with disabilities, racial and ethnic minorities, English Learners, students experiencing homelessness, children in foster care).

Overview and Purpose

The General Education Provisions Act (GEPA) narrative provides detail on how LEAs ensure equitable access to and participation in federal programs. It highlights how LEAs address the special needs of students, teachers and stakeholders. When completing this section, you must include the following:

☐ Address how all students will be able to access all programs, activities, interventions and/or resources listed in this ESSER III-ARP application. LEAs donot need to address anything funded by another source;

☐ Name the subgroups (e.g., students experiencing homelessness, English learners, people with disabilities) that will be ensured equitable access to and participation in grant funded activities. For example, if LEAs are sending flyers to families about a high-dosage tutoring after-school program, please include how the LEA will make sure families of English learners have access to and can participate in the program; and

☐ Describe the strategies that the LEA will use to remove barriers. For example, if after-school tutoring is offered and transportation is a barrier for students, describe how you will provide transportation to remove the barrier.

Detailed Planning Expenditures Checklists

Overview and Purpose

The Detailed Planning Expenditures tabs provide a detailed list of all planned expenditures for ESSER II-CRRSA funds. For each line item in the budget, please note the following:

- Although FY22 expenditures range from Oct. 1, 2021-Sept. 30, 2022, ESSER II-CRRSA expenditures are allowable from March 13, 2020-Sept. 30, 2023;

- To make sure the appropriate budget code is chosen, please review the ESSER II-CRRSA Budget Codes chart before completing the budget tabs.

- Write a description of the purpose of the purchase and budget breakdowns in the "Brief Description of Purpose of Purchase" column. Budget breakdowns, or cost assumptions, should convey the quantity or scope of service provided by an expenditure. This could include the quantity of items being purchased, the number of months covered by a salary, the number and/or grade level of students being served, or the duration of a contract; and

- The Detailed Planned Expenditures section is where you detail the budget for your grant. There are six main categories within the "Detailed Planned Expenditures" tab: Salaries and Benefits, Professional Services, Equipment, Supplies and Materials, Fixed
