

EARLY CHILDHOOD EDUCATOR
PAY EQUITY FUND

DC VALUES EARLY CHILDHOOD EDUCATORS

The District recognizes the important work you do and wants the money you make to reflect the value of your work.

As an early childhood educator in DC, you may be eligible to receive up to four payments of up to \$3,500 each between October 2022 and September 2023.

If you previously received a supplemental payment through the Early Childhood Educator Pay Equity Fund, you do not need to submit another application to receive additional funds. **If you're new to the DC early childhood educator workforce or if you started a new role at a child development facility, check to see if you're eligible for supplemental payments in fiscal year 2023 and submit an application today!**

And don't forget! After this fiscal year, payments will be included in your regular paycheck.
