Tracking the First Provision of Specialized Instruction

For the 2022-23 school year, LEAs continue to be required to **document the first provision of specialized instruction for students under the age of six** who have specialized instruction prescribed on the IEP but for whom specialized instruction has not been previously documented, including the following students:

- Students at/around the age of 3 transitioning from Part C;

Tracking the First Provision of Specialized Instruction

LEAs are NOT required to document specialized instruction:

- On an ongoing basis;
- After a student's IEP has been revised or amended if the LEA has previously documented the provision of specialized instruction under the prior IEP;
- Students younger than age 6 continuing within the LEA with a current eligibility determination and who have previously received specialized instruction; and
- Students younger than age 6 transferring from another LEA who have previously received specialized instruction.

IDEA Determinations

- Determinations for FFY20 (2020-2021) will be issued in September via QuickBase.
- Access will be provided to LEA Head of School and LEA SPED POC.
- Overview of LEA Determinations Process;
 - OSSE conducts various monitoring activities and collects a variety of data from LEAs each school year.
 - The determinations process compiles the data from those monitoring activities and data collection processes into “elements” or criteria used to calculate determination scores.
 - Each element is worth a pre-determined number of points. Each LEA’s level of compliance and/or performance for each element is weighed and, as a result of each LEA’s ability or failure to meet the requirements of each element, a determination level is assigned based on overall score.

Special Education Performance Report (SEPR)

- OSSE has established a new framework designed to:
 - Focus on student results
 - Provide transparent and actionable data to LEAs and families
 - Set clear and high expectations for special education programs
- For more information, please contact Karen.Morgan-Donaldson@dc.gov
