**EDUCATION**

**OSSE Foreign Language Standards**

**Introduction:** This document enables educator preparation providers (EPPs) in the District of Columbia to provide information to the Office of the State Superintendent of Education (OSSE) regarding how the EPP aligns with the OSSE English Language Arts standards adapted from the [American Council on the Teaching of a Foreign Language \(2015\)](#).

As the state education agency for the District, OSSE has an interest in ensuring that every student has an effective teacher and that every school has effective leaders. OSSE values the dedication of District EPPs to ensure schools are staffed with effective leaders and teacher leaders and strives to ensure programmatic excellence and candidate success. Establishing that each approved DC EPP is held to a uniform set of standards will help OSSE ensure that these aims are realized.

**EPP Submission:** The EPP should submit this rubric with its evidence for the state foreign language subject area program review. In completing this form, the EPP should describe how its foreign language program provides candidates coursework (assignments and assessments) and/or clinical and field experiences that demonstrate competency in each of the OSSE foreign language program standards below.

**EPP Information:**

EPP name (in the box below)	EPP contact name, title and contact information (email and phone number in the box below)
Submission date (in the box below)	

**EPP Notification:** OSSE will notify the EPP of its state approval status within 60 calendar days of the subject area program review.

**OSSE Standards Alignment:** The EPP must complete the table below aligning evidence to be submitted to each OSSE foreign language standard.

Candidates present information, concepts, and ideas to an audience of listeners or readers with language proficiency characteristic of a minimum level of "Advanced Low" or "Intermediate High" according to the target language, as described above.</p>
