

DISTRICT OF COLUMBIA

OFFICE OF THE STATE SUPERINTENDENT OF

**EDUCATION**

#### Definition

A homeless person, as defined by the U.S. Department of Education (USED), is an individual who “lacks fixed, regular, and adequate nighttime residence”.<sup>1</sup> Unlike the Department of Housing and Urban Development definition, the USED definition includes individuals who are “doubled-up”, meaning that they are staying with friends and family out of economic necessity. Please note that the homeless designation is cumulative for the school year, meaning that if the student was homeless for even one night of the school year, they are considered homeless for the entire school year.

#### Statewide Count – All Students

A unique count of students who experienced homelessness during the 2017-2018 school year.

**8,226**

#### Statewide Count – Compulsory Aged Students

A unique count of compulsory aged students (age 5-17 on September 30, 2017) who experienced homelessness during the 2017-2018 school year.

**5,310**

---

<sup>1</sup> Title IX, Part A of the Elementary and Secondary Education Act, as amended by the Every Student Succeeds Act.

## Count by LEA

A count of students who experienced homelessness during the 2017-2018 school year, regardless of age. These counts include students at each LEA they attended, so homeless students who attended multiple LEAs will be counted multiple times. LEAs not listed did not serve any homeless students during the 2017-2018 school year.

*\* Denotes that an LEA received McKinney-Vento Sub-Grants for school year 2017-2018*
