The District recognizes the important work you do and wants the money you make to reflect the value of your work.

As an early childhood educator in DC, you may be eligible for a supplemental payment of up to $14,000 through the Early Childhood Educator Pay Equity Fund.

CHECK TO SEE IF YOU’RE ELIGIBLE FOR A SUPPLEMENTAL PAYMENT AND SUBMIT YOUR APPLICATION TODAY!

And this is just the beginning! Supplemental payments will be distributed again later this year and through September 2023. After that, payments will be included in your regular paycheck.
