INCARCERATED AT DOC DETENTION FACILITIES

**I. INTRODUCTION AND PURPOSE**

The District of Columbia Office of the State Superintendent of Education ("OSSE"), the District of Columbia Department of Corrections ("DOC"), and the District of Columbia Public Schools ("DCPS") enter into this Memorandum of Agreement ("MOA") to ensure that general and special education services are provided for eligible pretrial detainees and/or sentenced inmates housed at DOC facilities with the goal of ensuring that required educational services are provided to these individuals pursuant to the Elementary and Secondary Education Act of 1965 ("ESEA"), (20 U.S.C. § 6421 *et seq.*) as amended by the Every Student Succeeds Act (129 Stat.1802) and the Individuals with Disabilities Education Act ("IDEA") (20 U.S.C. § 1400 *et seq.*).

The purpose of this MOA is to improve educational outcomes by minimizing disruption in the provision of general and special education services during the detention and/or incarceration of young adults beyond compulsory school age who are eligible to receive such services pursuant to IDEA and who are housed at the Central Detention Facility ("CDF") and the Correctional Treatment Facility ("CTF") (collectively, "DOC facilities"). Pre-trial detainees and/or sentenced inmates are entitled to the opportunity to receive special education services<sup>1</sup> while at a DOC facility if they are between the ages of 18 and 22<sup>2</sup> and if they were identified as a child with a disability in accordance with IDEA and local law in their last educational placement prior to incarceration at a DOC facility.<sup>3</sup> Such pretrial detainees and/or sentenced inmates are referred to throughout this MOA as "eligible pretrial detainees and/or sentenced inmates."<sup>4</sup>

---

<sup>1</sup> *Special education*, as defined in 20 U.S.C. § 1401(29), is specifically designed instruction, at no cost to the parent, to meet the unique needs of a child with a disability, including instruction conducted in the classroom, in the home, in hospitals and institutions, and in other settings; and instruction in physical education.

<sup>2</sup> Pursuant to 5E DCMR 3002.1 (d), a child with a disability shall remain eligible for special education and related services through the end of the semester the child turns twenty-two (22).

<sup>3</sup> Pursuant to 34 CFR §300.102(a)(2)(ii) and 5E DCMR §3002.2(b), the opportunity to receive special education services while at a DOC facility extends to those students aged 18-22 who, in their last educational placement prior to incarceration in a DOC facility had been identified as a child with a disability and who (i) had received services in accordance with an IEP but who left school prior to being incarcerated or (ii) did not have an IEP in their last educational setting but who had been identified as a child with a disability.

<sup>4</sup> Pursuant to U.S. Department of Education guidance (August 19, 2003 *Letter to Yudlen* and December 5, 2014 Dear Colleague Letter), 34 C.F.R. § 300.102(a)(2)(i), and 5E DCMR 3002.2(a), there is no child find/FAPE obligation on the part of the District with regard to incarcerated adults 18-22 years of age who have not previously been identified for special education services.

The provision of general and special education services at DOC facilities will be accomplished by:

- (1) facilitating the prompt transfer of records,
- (2) requiring continued coordination and involvement by representatives of DOC and DCPS,
- (3) monitoring the delivery of special education services,
- (4) meeting special education needs, and
- (5) providing notices of education services and other required documentation to eligible pretrial detainees and/or sentenced inmates.

Collectively, the agencies will be referred to herein as the "Parties" and individually as "Party."
