

OFFICE OF THE STATE SUPERINTENDENT OF EDUCATION

NOTICE OF FUNDING AVAILABILITY

Fiscal Year (FY) 2024 Community Schools Incentive Initiative Grant

Request for Application (RFA) Release Date: Friday, September 15, 2023 at 12 p.m.

This notice corrects notice N132594. Notice N132594 was published on August 11, 2023 in DC Register Vol. 70 – No. 32 with an incorrect amount of available funding for awards. This notice provides the correct information and supersedes that notice.

As authorized by the Community Schools Incentive Act of 2012, as amended, (D.C. Official Code § 38-754.01 *et seq*), the Office of the State Superintendent of Education (OSSE) – Division of Systems and Supports, K-12 is soliciting grant applications for the FY24 District of Columbia Community Schools Incentive Initiative Grant. The overall goal of the grant is to provide resources that will enable eligible consortia to create and enhance community-based partnerships and develop a framework for continued funding as well as ongoing evaluation of program success. A “community school” is a public and private partnership to coordinate educational, developmental, family, health, and after-school-care programs during school and non-school hours for students, families, and local communities at a public school or public charter school with the objectives of improving academic achievement, reducing absenteeism, building stronger relationships between students, parents, and communities, and improving the skills, capacity, and well-being of the surrounding community residents. The grant is supported through local funds to increase student achievement and address many of the challenges faced by economically disadvantaged communities.

Eligibility and Selection Criteria: OSSE will make these grants available through a competitive process to eligible consortia. An “eligible consortium” is a partnership established between a local education agency (LEA) in DC and one or more community partners for the purposes of establishing, operating, and sustaining a community school. OSSE will give priority to eligible consortiums that include:

1. A focus on mental health and associated treatment services;
2. A student population where more than 60% of the students are at-risk as defined in D.C. Official Code § 38-2901(2A); and
3. A focus on improving academic outcomes for students.

Applications will be scored on the following selection criteria: grant requirements/features, program implementation and monitoring, financial management and sustainability and service of priority areas.

Length of Award: The FY24 grant award period ends on Sept. 30, 2024. Subject to funding availability and continued compliance with grant terms and conditions, successful applicants shall be eligible for three years of grant funding.

Available Funding for Awards: The total funding available for the FY24 award period is \$1,107,875.35. Final funding amounts for an eligible consortium will depend on the number of applications and the funding availability. OSSE anticipates awarding 6-7 grantees amounts ranging from approximately \$160,000 per grantee (in the case of seven awards) to approximately \$180,000 (in the case of six awards). Subject to funding availability and compliance with grant terms and conditions, grantees shall be eligible for continued funding for two additional years, for a total of three years. Grant funds shall only be used to support activities authorized by the relevant statutes and included in the applicant's submission.

Application Process: OSSE will hold a pre-application meeting on October 2, 2023, 10 am-12 pm, to answer questions about the RFA and grant competition. To attend, please visit the following link: [FY24 Community Schools Competition Pre-Application Meeting](#).

An external review panel will be convened to review, score, and rank each application. OSSE may use multiple review panels. The review panel(s) will be composed of neutral, qualified, professional individuals selected for their expertise, knowledge or related experiences. The application will be scored against a rubric and each application will have multiple reviewers to ensure accurate scoring. Upon completion of its review, the panel(s) shall make recommendations for awards based on the scoring rubric. The State Superintendent or her designee will consider those recommendations but make all final award decisions.

Applications must be submitted by October 27, 2023 at 3 pm. OSSE estimates that it will award grants in late November 2023.

For additional information regarding this competition please contact:

Delia Davis
Program Analyst, Special Programs Unit
Division of Systems and Supports, K-12
1050 First Street NE, Fifth Floor, Washington, DC 20002
