OSSE LEARNING MANAGEMENT SYSTEM (OSSE LMS): A PROFESSIONAL LEARNING PLATFORM FOR THE DC EARLY CHILDHOOD WORKFORCE

The Office of the State Superintendent of Education (OSSE) has a new professional development training platform for the DC early childhood workforce called the [OSSE Learning Management System](#). The OSSE LMS replaces the Professional Development Information System (PDIS).

The OSSE LMS is user-friendly and easy to navigate. It provides early childhood educators, child care facility leaders and administrative staff with unlimited access to an array of professional learning opportunities offered by OSSE, OSSE grantees and approved trainers.

KEY FEATURES

The OSSE LMS allows users to:

- Quickly search and register for professional development opportunities
- Receive and store training certificates
- Recommend trainings to staff and colleagues

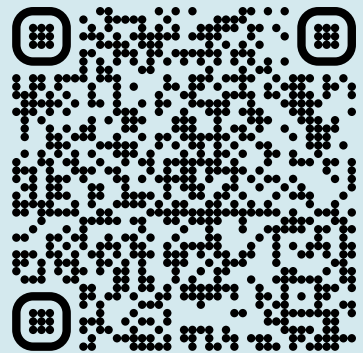

ACCESS THE OSSE LMS

To access the OSSE LMS, go to osse.pl.powerschool.com.
