

<p>New School Bus Terminal</p>	<p>OSSE DOT will open a new school bus terminal, located at 1601 W. Street NE, that encompasses an on-site maintenance and repair facility. The current lease for the New York Avenue Bus Terminal expires on June 30, 2018. In FY16, OSSE DOT purchased the location for the new terminal. The facility's office space will be rehabilitated, one warehouse will be converted to a driver waiting area, and other warehouses will be outfitted for bus maintenance. This will expand DOT's capability to repair vehicles in-house more efficiently than the current procurement scenario.</p>	<p>09-30-2018</p>	<p>Add Initiative Update</p>	<p>0</p>	<p>Needs Update</p>
