

## Special Education Enhancement Fund (SEEF) Formula Grant Fiscal Year 2018 Formula Allocations by LEA

A total of **\$3,771,769** is available for formula grant awards through this grant award period beginning Oct. 1, 2017 through Sept. 30, 2018. OSSE will provide additional continuation funding in future years, subject to availability of continued funding. Awards are limited to one per applicant.

Funds will be allocated to eligible District of Columbia LEAs that complete an approvable application. Eligible LEAs are those that accept federal Individuals with Disabilities Education Act funding. Funds will be distributed using a formula as follows:

Each eligible LEA will receive a base allotment of \$2,500.

The remaining funds shall be allocated as follows:

- 20 percent of the remaining funding is allocated to each LEA based on the LEA's share of the total number of students with disabilities who will be age 13, 14, or 15 on July 1, 2018, and thus who will need additional support as the transition age changes from 16 to 14. OSSE selected 20 percent because that is the percentage of students with disabilities citywide who will be age 13, 14, or 15 on July 1, 2018.
- The remaining 80 percent of funding will be allocated to each LEA based on that LEA's share of the District's total number of students with disabilities.
