COVID-19 Vaccination Religious Exemption Certificate**

Pursuant to the *Coronavirus Immunization of School Students and Early Childhood Workers Amendment Act of 2021* (D.C. Law 24-85), all staff working in-person in a child development facility licensed by the Office of the State Superintendent of Education (OSSE), shall have received a full course of a vaccination against coronavirus (COVID-19) unless exempted. This certificate may be used to document requested exemption from this requirement based on sincerely held religious beliefs.

This certificate shall be completed by the staff member (“the requestor”) and submitted directly to the child development facility requesting proof of COVID-19 vaccination or exemption. Each child development facility is responsible for ensuring compliance and shall collect and retain documentation of staff COVID-19 vaccination status. During annual, monitoring, and renewal inspections, the assigned OSSE licensing specialist for each facility will review records, including all proof of COVID-19 vaccination and exemption documentation. COVID-19 vaccination records or exemption documentation must be individually uploaded to the provider profile under the specific inspection type in the “Other Staff Records” section in the Division of Early Learning Licensing Tool (DELLT). All staff listed on the staffing plan, required by 5A DCMR 120, must have proof of COVID-19 vaccination or exemption documentation in the DELLT.
