The Office of the State Superintendent of Education (OSSE) shall enter into agreements with licensed child development facilities that agree to receive funds from the Early Childhood Educator (ECE) Pay Equity Fund to implement minimum early childhood educator salaries published by OSSE in accordance with principles in DC Code § 4-410.02(c).

The Provider Agreement for the Early Childhood Educator Pay Equity Fund (hereinafter referred to as “Agreement”) is entered into on **X/XX/24**, by and between the District of Columbia (District) through the Division of Early Learning (DEL) within OSSE and **Provider Name** (Provider), which operates a licensed child development facility or facilities located at:

Provider Site	Street Address	ZIP Code	Ward

The purpose of this Agreement is to establish the conditions under which OSSE will distribute to **Provider Name** (Provider) funding from the ECE Pay Equity Fund, through the child development facility payroll funding formula (CDF payroll formula), to **Provider Name** (Provider) to implement the minimum early childhood educator salaries established in the ECE salary schedule for fiscal year 2025 (FY25) published by OSSE. The District neither incurs nor assumes any liability for the Provider's performance of this Agreement.

I. DESCRIPTION OF CDF PAYROLL FORMULA

A. In general:

1. Child development facility operators that enter into agreement with OSSE to implement minimum early childhood educator salaries shall receive funds via the CDF payroll formula as described in this section.
2. CDF payroll formula amounts shall be calculated separately for each participating child development facility.
3. For providers that operate multiple facilities, the total CDF payroll funding formula distributed to a provider will equal the sum of the calculated funding amounts for each participating child development facility that the provider operates.

4. CDF payroll funding awards will be calculated and distributed once per quarter.
5. The CDF payroll formula award for each child development facility will be calculated using the funding formula established by OSSE, based on recommendations of the Early Childhood Educator Equitable Compensation Task Force and pursuant to the statute authorizing the Early Childhood Educator Pay Equity Fund, as codified in the DC Code at the time each quarterly payment is calculated. The facility's quarterly CDF payroll award shall be the sum of the following, divided by four:
 - a. The facility's base award, as determined using the calculation described in I.B
 - b. The facility's administrative enhancement, as determined using the calculation described in I.C
 - The facility's equity adjustment, if applicable, determined using the calculation described in I.D

B. Base Award Calculation

1. The base award is the sum of:
2. The product generated by multiplying the number of lead teachers (as defined in DC Code §4-401) holding a Child Development Associate (CDA) credential, or 48 credit hours with greater than or equal to 15 credit hours in Early Childhood Education, by the CDA Teacher Wage Supplement;
 - a. The product generated by multiplying the number of lead teachers (as defined in DC Code §4-401) holding an associate degree in Early Childhood Education, or an associate degree with greater than or equal to 24 credit hours in Early Childhood Education, by the Associate Degree Teacher Wage Supplement;
3. The product generated by multiplying the number of lead teachers (as defined in DC Code §4-401) holding a bachelor's degree or higher in Early Childhood Education, or a bachelor's degree or higher and greater than or equal to 24 credit hours in Early Childhood Education, by the Bachelor's Degree Teacher Wage Supplement;
 - a. The product generated by multiplying the number of assistant teachers (as defined in DC Code §4-401) with a CDA credential by the CDA Assistant Teacher Wage Supplement; and
 - b. The product generated by multiplying the number of assistant teachers (as defined in DC Code §4-401) with an associate degree or higher by the AA Assistant Teacher Wage Supplement.
4. The Wage Supplement amounts for FY25, by role and credential, will reflect Wage Supplement amounts published by OSSE in effect as of the date of each quarterly payment:

Teacher Wage Supplement:

- a. CDA Teacher Wage Supplement: \$8,503
- b. Associate Degree Teacher Wage Supplement: \$18,079
- c. Bachelor's Degree Teacher Wage Supplement: \$29,344

Assistant Teacher Wage Supplement:

- a. CDA Assistant Teacher Wage Supplement: \$9,470
 - b. Associate Degree Assistant Teacher Wage Supplement: \$12,726
5. The number of lead teachers and assistant teachers (as defined in DC Code §4-401) to be included in the calculation of each facility's base award (as described in I.B.1) shall be based on the number of lead teachers and assistant teachers (as defined in DC Code §4-401) with active records associated with the facility in the Division of Early Learning Licensing Tool (DELLT) as of the last day of October, January, April and July respectively for each quarter in which funds are distributed.
6. For each lead teacher and assistant teacher (as defined in DC Code §4-401) included in the calculation of the facility's base amount, the credential level shall be based on the approved credentials entered in DELLT for the lead teacher or assistant teacher as of the last day of October, January, April and July respectively for each quarter in which funds are distributed.

C. Administrative Enhancement Calculation

- 1. The amount of each facility's administrative enhancement is equal to the product generated by multiplying the amount of the facility's base award by the administrative percentage rate published by OSSE in effect as of the date of each quarterly payment.

D. Equity Adjustment Calculation

- 1. The amount of each facility's equity adjustment will be calculated using the equity adjustment calculation formula published by OSSE in effect as of the date of each quarterly payment.
- 2. The equity adjustment amount for facilities that do not participate in the child care subsidy program is zero.

II. SCHEDULE OF CALCULATION AND PAYMENTS

- A. OSSE will calculate and distribute payroll formula awards on a quarterly basis and will provide each Provider a summary of their award calculation through a payment statement.
- B. OSSE will base award calculations only on staff whose employment and role can be confirmed in DELLT and was current as of the date prescribed by OSSE in I.B.
- C. OSSE is not responsible for any loss in funding incurred by a child development facility as a result of failure to update staff records on a timely basis.

- D. The Provider shall maintain an updated Automated Clearing House (ACH) form on file to receive payment via direct deposit.
- E. Participating providers will receive their first payment on the next quarterly cycle following approval of the Agreement.

III. OVERPAYMENT AND UNDERPAYMENT OF FUNDS

- A. The District reserves the right to deduct or offset payments for overpayment, errors, material breach or partial performance of this Agreement.
- B. The provider shall notify OSSE within 30 calendar days of receipt of their payment statement if they believe there is an error, whether an overpayment or underpayment, in the calculated payment and provide documentary evidence as outlined by OSSE.
- C. OSSE will investigate reported errors and confirm whether there is need for a payment adjustment.
- D. OSSE will not make adjustments to quarterly payment amounts based on any changes in the number of lead and assistant teachers (as defined in DC Code §4-401) employed the facility, or their credentials, that occurred after the provider deadline for updating DELLT prescribed by OSSE in I.B. Child development facilities that experience changes in staffing after the deadline for a quarter shall update staff records prior to the deadline for the following quarter, and will see updates reflected in the following quarter's payment.
- E. If the facility's quarterly payment differs from the payment statement, the provider must submit an error report to OSSE within 10 calendar days of receiving the quarterly payment.
- F. Any overpayment by the District to the provider shall be reported to the District. Failure to report an overpayment may result in suspension or termination from the program and referral to the Office of the Attorney General for legal action.
- G. Overpayments to providers will be recovered, regardless of the amount, through deduction(s) from future quarterly payments.
- H. Underpayments will be added to the following quarterly payment.

IV. USE OF FUNDS

- A. Funds may be used to support implementation of the ECE salary scales, established and updated pursuant to DC Code [§ 4-410.02\(b\)](#), including for the following purposes:
 - 1. To pay wages or compensation for lead teachers and assistant teachers (as defined in DC Code §4-401).
 - 2. To pay wages or compensation of other staff employed by the child development facility and directly involved in the care and education of children or operation of the facility.

3. To pay costs of health and other fringe benefits for early childhood educators and other child development facility employees.
 4. To pay administrative costs associated with implementing the salary scales and meeting OSSE requirements related to the Fund as outlined in this Agreement.
 5. To pay direct operating expenses of the facility associated with providing care and early education services to children.
- B. Funds may only be used to cover costs related to child development facilities licensed in the District of Columbia and participating in the Early Childhood Educator Pay Equity Fund. A provider that operates multiple facilities may not use funds to cover costs associated with facilities that are not participating in the Fund.

- ix. Ensure the contract or offer letter is signed by both the employee and an authorized representative of the employer.
 - x. Maintain a copy of the current employee contract or offer letter in the employee's staff record in DELLT.

- E. OSSE may share the results of valid and reliable observations with independent researchers for the purpose of conducting research to understand parental choice, improve the quality, affordability or supply of child care in the District of Columbia or evaluate the implementation or impact of OSSE programs, subject to the following:
 1. Any such sharing shall occur only subject to an approved data sharing agreement between OSSE and the researcher/researching organization.
 2. The data sharing agreement shall include provisions to prevent the disclosure by third party researchers of any information that can be used to attribute observation results to a specific child development facility and will ensure data security best practices are followed.

- A. Retention Of Records

1. The provider shall maintain a copy of all employee contracts, offer letters, salary schedules, and all other documents necessary to the performance of this Agreement for a period of no less than five years, or until the final conclusion of any administrative or judicial proceeding as a result of or in connection with the terms or performance of this Agreement, whichever is longer.

The provider shall cooperate fully with any examination including, but not limited to, in-person or virtual monitoring visits and audits to verify recordkeeping and compliance with terms of this agreement.

- A. The provider is solely responsible for the payment of all taxes and fees incurred from the payments received pursuant to this Agreement.
- B. The provider is responsible for paying all employer taxes and ensuring appropriate employee tax withholding on salary payments to staff.

XI. INDEMNIFICATION

- A. The provider shall indemnify and hold harmless the District and all of its officers and

agents against any assessments, fines, or monetary penalties that may be imposed on the District by order or judgment of any court or administrative body, or required pursuant to the terms of a consent order, consent decree or consent agreement, as a consequence or result of an act, omission or default of the provider, its employees, agents or subcontractor in the performance of, or in connection with, any work required or performed under this Agreement.

XII. AVAILABILITY OF FUNDS

- A. The parties acknowledge that the obligations of the District to fulfill financial obligations pursuant to this Agreement are and shall remain contingent upon the availability of appropriated funds, subject to the provisions of (i) the Federal Anti-Deficiency Act (31 U.S.C. §§ 1341 *et. seq*); (ii) the District of Columbia Anti-Deficiency Act, effective April 4, 2003 (DC Law 14-285; DC Official Code §§ 47-105; 47-355.01-355.08), and (iii) District of Columbia Charter Act, approved December 24, 1973 (P.L. 93-198; DC Official Code § 1-204.46 *et. seq*), as the foregoing statutes may be amended from time to time, regardless of whether a particular obligation has been expressly so conditioned. The District's legal liability for payment of any financial obligations arising under this Agreement shall not arise or obtain in advance of the lawful availability of appropriated funds for the applicable year as approved by the Council of the District of Columbia.

XIII. DURATION OF AGREEMENT

- A. This Agreement shall be effective from the date OSSE's Deputy Superintendent of Early Learning signs the Agreement until Sept. 30, 2025, unless renewed in writing by the District prior to the expiration date. This Agreement may be modified, renewed or extended in writing only, and the parties must sign and date any modifications to the Agreement.
- B. This Agreement may be extended annually, contingent upon the availability of funds, in one year increments, provided written notice is given by OSSE to the Provider at least 30 days prior to the expiration date. In no event shall this Agreement extend more than four option periods from the date that the original Agreement was executed. The exercise of an option period is subject to the availability of funds at the time of the exercise of the option.

XIV. TERMINATION OF AGREEMENT

- A. The provider must report to OSSE prior to the 15th day of the first month of the quarter in which the provider intends to terminate this Agreement. Providers will not receive additional payments after the effective date of termination, except where appropriate to correct past underpayments.
- B. The District may terminate this Agreement for any reason effective upon receipt of written notice. The District shall provide the provider a written notice of termination

specifying the reason for termination (e.g., failure to comply with licensing regulations, Pay Equity regulations and/or Provider Agreement requirements) and the date of termination.

XV. MODIFICATION OF AGREEMENT

- A. This Agreement may be modified in writing only, and the parties must sign and date any modifications to the Agreement, except as set forth in X.V.B.
- B. The District shall provide notice of changes in award payments due to DC Council mandate, budget reductions or lack of funding or available funds. This Agreement shall be deemed unilaterally modified as of the date of the mandate, reduction, or lack of funding, with or without the parties' signature.
- C. In the event that a change in award payments due to DC Council mandate, budget reductions or lack of funding or availability of funds results in providers receiving a lower payment, OSSE will provide guidance to child development facilities on adjustments to minimum early educator salary requirements.

XVI. RESOLUTION OF DISPUTES

- A. The parties shall informally try to resolve any dispute arising from or related to the performance of this Agreement. If the parties are unable to resolve their dispute, the provider may submit a written statement outlining the provider's position to the Deputy Superintendent of Early Learning for review and resolution.
- B. The written statement shall describe each of the facts in dispute and include the necessary documentation to support the provider's allegations. The Deputy Superintendent of Early Learning shall review the statement and documents submitted by the provider and attempt to resolve the dispute through informal conference with the parties. If no resolution by the parties occurs within 30 calendar days of the date the Deputy Superintendent of Early Learning receives the written statement, the Deputy Superintendent of Early Learning shall submit a written decision resolving the matter to the provider.
- C. The provider may appeal the decision by submitting a written request for an appeal and reconsideration to the State Superintendent within 15 calendar days of receipt of the Deputy Superintendent's decision. The State Superintendent shall review the decision and any objections from the provider and shall issue a written decision that resolves the dispute within 30 calendar days of the receipt of the provider's appeal. The State Superintendent's decision shall be final.
- D. The provider may appeal, in writing, any error in calculating the amount of a payment but only to the extent that the provider asserts that the District has failed to follow applicable rules and regulations.
