The Individuals with Disabilities Education Act (IDEA) requires all States to establish and maintain an advisory panel for the purpose of providing policy guidance with respect to special education and related services for children with disabilities (34 C.F.R. §§300.167). In compliance with IDEA, the District of Columbia established the panel through the Mayor's Order 2012-48 issued April 5, 2012.

The SAP meets to discuss ways in which members can advise OSSE in its role as the State Education Agency (SEA) on special education and related services for children with disabilities.

The SAP is required to convene meetings at least four times a year. The following is a calendar of meetings scheduled for the 2019-20 school year. SAP meetings are open to the public.
