The Office of the State Superintendent of Education (OSSE) will issue Requests for Applications (RFAs) for SOAR Act grant funds. SOAR Act funds are available to District of Columbia (DC) charter local education agencies (LEAs) and third-party non-profit charter support organizations. Applicants are required to submit a letter of recommendation from a DC charter school with direct experience working with the organization as well as a list of all schools and districts to which the organization has provided education-based services.

OSSE will provide up to \$400,000.00 per "direct assistance" award and up to \$300,000.00 per "indirect assistance" award. Determinations regarding the number of competitive grant awards will be based on the quality and number of applications received and available funding. OSSE anticipates awarding approximately 7 to 10 awards. Successful applicants may be awarded amounts less than requested. Awards are limited to one per organization. Grant funds shall only be used to support activities authorized by the relevant statutes and included in the applicant's submission.
