## DC Committee of Practitioners

### *Travel/Parking Logistics*

Our meetings are held on the third floor of 810 First Street NE, Washington DC, 20002. When you enter the building, please stop at the front desk to sign in and to show ID.

We are located two and one half blocks north of Union Station (see map below). The closest Metro stop is Union Station on the red line. You will take the First Street exit and turn right. Our building is on the left, next to the CNN building.

If you choose to drive, there is limited street parking. There are also various paid lots and garages within a few blocks of our building. Please make sure to check the time the garage/lot will close and choose accordingly, as the area garages usually close at 7:00 P.M.

OSSE will provide limited reimbursement (up to \$10 per meeting) for local travel and/or parking costs associated with attendance at meetings. Please save all receipts to submit at a later date; payment cannot be provided without this documentation. Employees of DC Government are not eligible for the travel stipend.
