

SCHOOL HEALTH PROFILE FORM

Healthy Schools Act of 2010

Under Section 602 of the *Healthy Schools Act of 2010* (L18-0209), each public school and public charter school within the District of Columbia is required to complete and submit the School Health Profile (SHP) form to the Office of the State Superintendent of Education (OSSE) on or before February 15th of each year. Schools are also required to post the information requested in this School Health Profile form online, if the school has a website, and make the information available to parents in the main office.

Any public school or public charter school that fails to complete and submit its School Health Profile form to OSSE on or before February 15th of each year will be out of compliance with Section 602 of the Healthy Schools Act of 2010.

Instructions

This SHP form must be completed by each school. For example, if your local education agency (LEA) includes five campuses, each campus must complete a SHP. Complete all sections of the form with responses for the 2013-2014 school year, unless otherwise noted. Once submitted, each school is required to post the information requested in this SHP form online, if the school has a website, and make the information available to parents at the main office.

OSSE recommends that one person at each school be responsible for disseminating the SHP form to school staff members (Health Teacher, Nurse, Food Services Manager, etc.) and then collecting the data and submitting the form online. For more information on how to complete the SHP form, please see the FAQ at the end of this document.

Submission Deadlines

Forms must be received on or before February 15th of each year. OSSE will post each completed SHP form on the OSSE website for public review within 30 days of receipt. If your school has not completed the form by February 15th, your school will be listed on the OSSE website as out of compliance with Section 602 of the *Healthy Schools Act of 2010*. OSSE also reports compliance with the SHP to the Mayor, the City Council, and the Healthy Youth and Schools Commission.

The School Health Profile form can be completed and submitted online. Please visit your principal portal or contact OSSE.HSAhealthform@dc.gov for more information.

For more information, see the School Health Profile FAQs page and the end of this document.

For assistance, please call 202-727-3467 or email OSSE.HSAhealthform@dc.gov.
