OFFICE OF THE STATE SUPERINTENDENT OF

EDUCATION

Overview

This document addresses requirements of 42 USC §11432(g)(1)(C) for resolving disputes applicable to the eligibility, enrollment, or school selection for homeless children and youth as covered by the McKinney-Vento Homeless Assistance Act (MKV). As required by 42 USC §11432(g)(1)(C), schools must develop and implement written procedures for the receipt and resolution of complaints alleging violations of law with regards to eligibility, school selection, or enrollment as covered by MKV (42 USC §11432(g)(3)(E)(i)). A request for appeal or resolution of an enrollment or placement dispute shall be filed with the local educational agency (LEA) first. If resolution is not reached at the LEA level, the request for appeal shall be escalated to the Office of the State Superintendent of Education (OSSE) after every effort has been made to resolve the issue through local written eligibility, enrollment, and school selection dispute resolution procedures or the timeline has expired for the LEA to respond. OSSE's Homeless Education State Coordinator will provide technical assistance to interested parties as requested and as necessary.

School-based and LEA Resolution Process

Disputes may arise between a school and a homeless student, parent, or guardian regarding, among other things, enrollment or transportation eligibility. The dispute resolution process begins at the time a school challenges the right of a parent, guardian, or unaccompanied youth to enroll a child or youth in school, to continue enrollment in school, or to receive services such as transportation assistance. This process is applicable when the parent, guardian or unaccompanied youth is attempting to enroll the child or youth in the in-boundary school or the school of origin and there is disagreement as to whether the school is the in-boundary school or the school of origin. It should be noted that when a child or youth completes the final grade level served by the school of origin, the school of origin includes the designated receiving school at the next grade level for all feeder schools (such as when an elementary school feeds into a middle school). (Section 722(g)(3)(l)(ii)).

At such a time, the school-based or LEA homeless liaison must be notified and immediately becomes involved. The homeless liaison will provide educational rights guidance (as prescribed by the federal guidelines of McKinney-Vento and the ESEA as amended by the Every Student Succeeds Act) to the school or LEA administrators, student and/or parent or guardian. The homeless liaison shall carry out the dispute resolution process as expeditiously as possible after receiving notice of the dispute. The associated LEA must follow a procedure that includes these steps:

1. The child or youth must be immediately enrolled in the school requested by the individual or organization submitting the complaint—immediate enrollment is defined as “attending classes and participating fully in school activities” (42 USC §11434(a)(1)). A student must be allowed to attend or enroll in the school that is challenging the student’s right to attend until all appeals have been exhausted.
2. The challenging school must provide transportation assistance and other school services as needed to the student until the dispute is resolved.
3. The parent or guardian of the child or youth, or (in the case of an unaccompanied youth) the youth, shall be provided with a written explanation on the day of the challenge that:
 - A. Must be provided in an understandable manner and form.
 - B. Identifies any decisions related to school selection or enrollment made by the school, the local educational agency, or the State educational agency involved.

- C. Explains the rights of the parent, guardian, or unaccompanied youth to appeal such decisions. This notice must include a form to be completed by the parent, guardian, or unaccompanied youth should he or she decide to appeal the LEA's decision (see attachment) and written guidance that he or she has 15 calendar days to submit the appeal. He or she must be informed that the right to appeal expires after 15 calendar days.
4. Notify OSSE of the challenge on the day of the challenge, and provide OSSE with copies of all notices given to the parent, guardian, or unaccompanied youth. These documents must be scanned and emailed to: HEP.OSSE@dc.gov. The homeless liaison will provide the parent, guardian, or unaccompanied youth with written notice in clear, easy-to-understand language detailing the dispute resolution process. The homeless liaison shall also assist the parent, guardian, or unaccompanied youth in preparing the appeal and shall make the resources of the school (e.g., copying, mailing, or obtaining records) available to the individual or organization submitting the complaint.
5. An LEA will have a maximum of 15 calendar days to review its initial decision upon receipt of a notice of appeal and make a final decision as to the position taken (i.e., whether it will continue to challenge the right of the student to be enrolled). The decision must state all factual information upon which it is based and the legal basis in support thereof.
6. The final decision of the LEA must be made in writing and must be made by the LEA's lead administrator or his/her designee.

State-level Resolution Process

If a dispute cannot be resolved at the LEA level and the parent, guardian, or unaccompanied youth has exercised their right to appeal as noted in number 4 above, then the LEA must permit the student to remain enrolled in the LEA and must continue to provide required services, including transportation assistance. OSSE will make the final determination by completing the following:

- A. OSSE will review all documentation including the school-level challenge, the LEA decision, and the appeal form.
- B. Within 15 calendar days, OSSE will make a determination of the appeal based upon the facts received and the MKV Act, and will notify the school, LEA, parent, guardian, or unaccompanied youth in writing of the decision. There's no appeal of OSSE's final decision.
- C. Once the determination has been submitted to all parties in writing, the school must immediately enroll, unenroll, provide required services including transportation support, or discontinue services.
