Introduction

The Office of the State Superintendent of Education (OSSE) is responsible for reviewing the credentials and qualifications of applicants seeking teacher, administrator, or school service provider certification in the District of Columbia. OSSE's Division of Elementary, Secondary, and Specialized Education is responsible for overseeing procedures and protocols that govern licensure application submission and ensure responsive service to applicants.

The Educator Credential Information System (ECIS) is an electronic educator licensure application portal designed in an effort to provide those seeking authorization to serve as a teacher, administrator, or school service provider with a user-friendly, web-based format for submitting applications for a DC credential. Through ECIS, applicants will be able to enter personal and demographic information, upload supporting documents, and pay for application processing fees electronically using a credit card.

If, at any time during the registration or application process, you experience technical challenges or issues while using ECIS, please contact the OSSE Help desk at (202)-719-6500. If you have questions about policies or procedures related to educator credentialing and certification, please contact the Educator Credentials Team at (202) 741-5218 or through email at osse.asklicensure@dc.gov.

Applicant Registration and Approval Procedures

Before you will be permitted to submit an application for an educator credential through ECIS, you must complete the following steps to register as an ECIS user. If you are a District of Columbia government employee and have an active DC.GOV email account you must be sure to use your DC.GOV email address when registering.

1. Visit the ECIS [home page](#) and click the blue 'Click here to begin' button at the bottom of the page. You will be redirected to the applicant registration screen.
2. Enter all required information on the form.
3. District of Columbia Government employees already have general access to District QuickBase applications, of which ECIS is an extension. **If you are a District of Columbia Government employee, be sure to use your active DC.GOV email address when registering, in order to access ECIS.** Once registered, you will enter your existing DC Government username and password credentials you use to log in to your computer and other District of Columbia applications. If you are a District employee, please do not use other e-mail accounts (e.g. Hotmail, Gmail, Yahoo, etc.), to avoid conflicting errors..
4. Once you have entered all of the required information, review your entries and click the "Save" button. You will receive a notification via email acknowledging receipt of your registration request.
5. Your initial registration information will be submitted to a representative to review and finalize your registration. Once your request has been assigned to a representative, you will receive a second email notification informing you that the request is under review.
6. Once your registration has been approved, you will receive a final email notification which confirms approval and provides a link to the online application portal login area.
7. Registration approval will occur within 24 hours or during the next business day (excluding state and national holidays).

Before You Begin Submitting Your Application

Required Documents Needed for Uploading Into ECIS

Before you begin creating your online application, be sure to review the following list of documents so you may gather them electronically. These documents will need to be uploaded into ECIS as file attachments before your application can be submitted:

Document	Required For:
FBI criminal history report that has been issued within the previous 12 months	All educator licensure applicants
A completed approved program verification form (signed by the certifying official of the institution where you completed your program)	Applicants seeking a license based on completion of a state-approved educator preparation program
A program detail and verification letter, signed by the program coordinator or certifying official, describing the sequence of education, testing and experience requirements the applicant was required to complete	Applicants who have completed a non-university or college based alternative-route educator preparation program, where an official transcript is not available
Score report for the licensure examinations you have taken (all pages of the score report are required)	Applicants seeking a Regular 1 License, Regular 2 License, or Administrative Services Credential
Copies of credentials/licenses held in other states	Applicants seeking a Regular 2 license in the District of Columbia through interstate-reciprocity
Signed verification of previous full-time employment experience (if completed)	Applicants seeking a Regular 2 license in the District of Columbia through interstate-reciprocity or Administrative Services Credential

Once you have gathered the necessary documents to attach to your application, follow the steps below to create and submit the online application.

Application Submission Procedures

Once you have completed the ECIS registration process you are ready to begin creating your online application.

Sign In to ECIS and Begin Application

1. Sign in to ECIS by visiting the following URL: <https://octo.quickbase.com/db/main?a=SignIn> and logging in using your email address and the password created during registration.

The image shows a sign-in form with the following elements:

- A text input field labeled "Username".
- A text input field labeled "Password" with a vertical cursor.
- A blue link "I forgot my password" below the password field.
- A green button labeled "Sign in" to the right of the password field.
- A checkbox labeled "Keep me signed in on this computer" below the "Sign in" button.
- A horizontal line below the checkbox.
- A link "Not a QuickBase user? Create a log-in." centered below the line.

Figure 1: Use this form to sign-in.

2. Once you have signed in, click the **ECIS** icon below the 'My Apps' heading to go to the main ECIS page.

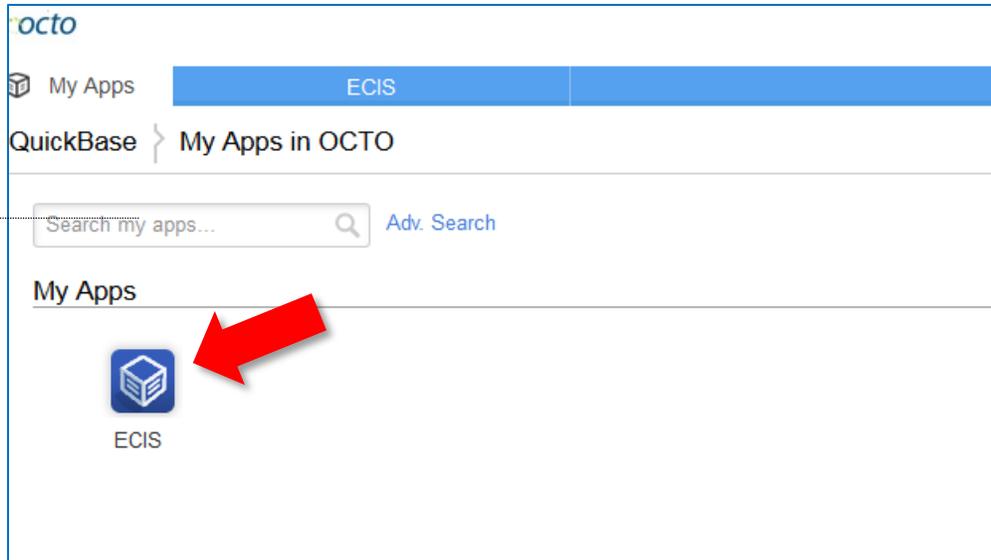

Figure 2: After you sign in, click this icon to get to your application.

3. On the main ECIS page, click the  icon located at the bottom of the page, under the Application Status title bar to open your profile and make changes or create a new application. You will be taken to the online application.

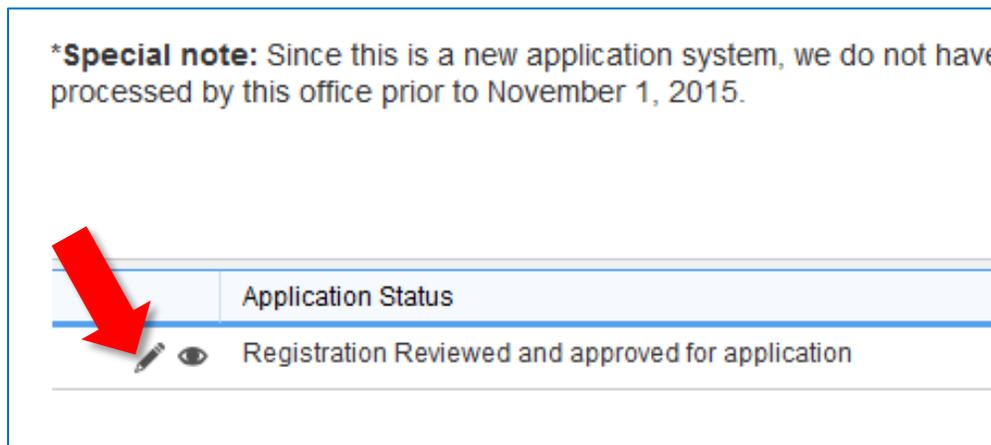

Figure 3: Click the pencil icon to edit your application.

4. Proceed to the next section.

Applicant General Information

1. Click the checkbox beside ‘Applicant General Information’ to expand the section.

Applicant General Information *

Applicant General Information

1. Have you been hired or are in the process of being hired as an employee with a P-12 license?

No

2. Did you earn a complete bachelor's degree at a regionally accredited college or university?

Yes

3. Did you complete applicable degree(s) or studies at an institution outside of the U.S.?

No

If yes, must have your credentials been evaluated by a foreign credential evaluation agency completed in the U.S.

4. Did you designate the District of Columbia as a score recipient for exams administered by ETS?

Yes

(You must identify this agency as a score recipient for ETS delivered exams. The routing of scores will be to the agency.)

Figure 4: For each section, you will need to click the checkbox to expand the form so you can enter your responses.

2. Select ‘Yes’ or ‘No’ from the drop down menu, for each question.
3. Proceed to the next section.

Applicant Background/Criminal History

1. Click the checkbox beside ‘Applicant Background/Criminal History’ to expand the section. Select ‘Yes’ or ‘No’ from the drop down menu, for each question.
2. If you answered ‘Yes’ to any of the questions in this section, you must upload copies of official documentation such as court or hearing proceeding document(s) indicating the final judgment and/or current disposition for each offense.
3. Proceed to the next section.

Applicant Education Degree/Program Information

1. Click the checkbox beside ‘Applicant Education Degree/Program’ to expand the section.
