

District of Columbia – Educator Credential Areas and Fee Schedule

Applicants seeking certification in the District of Columbia must indicate the subject area of the credential being sought when using Educator Credentialing Information System (ECIS V2.0), our online application system. This page details how the sub-category areas are mapped to each main subject area in ECIS V2.0 to help you find the areas of your interest.

Duplicate Credentials

Applicants may submit an application for duplicate issuances of all active credentials held by the holder at the time of the request. **We do not issue duplicates for expired credentials.**

Main Subject Area	Sub Category Area	Grade Level	Fee
Duplicate credential request	Duplicate credentials	NA	\$20

Classroom Teacher Credentials

Applicants may file an application for primary certification as a school/classroom teacher in the following subject areas. Additionally, if the applicant holds an active full DC credential in one teaching subject area he/she may apply for added teaching endorsements with an authorization in the subject areas identified as endorsement. Added endorsement certification is not applicable to school/pupil services provider nor school principal certification areas.
