EDUCATOR CREDENTIALING EXAMS

All applicants seeking a **teaching credential** in the District of Columbia shall be required to present passing scores for an approved basic skills, subject content and pedagogy exam required for the credential being sought. For teaching subject areas where an applicable subject content exam has not been adopted, applicants must hold a completed degree with a major in that subject area. All applicants seeking a **student/pupil service provider** and/or **school principal/assistant principal** credential shall be required to present passing scores for the required subject content exam required for the credential being sought.

**Out-of-state credential holders** – who hold a full active credential in the appropriate subject area issued in a reciprocal state accepted by the District of Columbia, may submit their score report verifying scores for comparable exams passed in that state in lieu of the required DC exams.

Please visit our website more information regarding, Educator Credentialing.

For more detailed information regarding registration procedures, fees/fee waivers, test preparation materials, etc., please contact the Educational Testing Service (ETS) at: [www.ets.org/praxis](http://www.ets.org/praxis) or 1-800-772-9476 or 1-609-771-7395.
The District of Columbia recognizes that there are applicants who have achieved passing scores on licensure exams that have since been dropped, discontinued, or regenerated (ETS test updating process). In these instances, passing licensure exam scores will be acceptable for a period not to exceed three (3) calendar years after the date an exam has been dropped, discontinued or regenerated.

Below is a chart of acceptable exams for subject areas that include a previously required exam(s), and the score recognition schedule. Applicants who possess test names/codes and scores that DO NOT match the exams listed on this chart, will be required to provide passing scores for currently required exams.
