of the practices of oral	and visual images on	
visual, and written	thinking and composing in	
literacy.	their own work and in their	
	teaching;	
	Use writing, speaking, and	
	observing as major forms of	
	inquiry, reflection, and	
	expression in their	
	coursework and teaching;	
	3,	
	Use composing processes in	
	creating various forms of	
	oral, visual, and written	
	literacy of their own and	
	engage students in these	
	processes;	
	Demonstrate, through their	
	own learning and teaching,	
	how writing, visual images,	
	and speaking can effectively	
	perform a variety of functions	
	for varied audiences and	
	purposes;	
	Demonstrate their	
	knowledge of language	
	structure and conventions by	
	creating and critiquing their	
	own print and non-print texts	
	and by assisting their	
	students in such activities;	

<b>3.3</b> Candidates demonstrate their knowledge of reading processes.	Respond to and interpret, in varied ways, what is read, teaching their students how to do this as well;  Discover and create meaning from texts and guide students in the same processes;	
	Use a wide variety of strategies to comprehend, interpret, evaluate, and appreciate texts and teach those strategies to students;	
<b>3.4</b> Candidates demonstrate knowledge of different composing processes.	Use a variety of writing strategies to generate meaning and clarify understanding and draw upon that knowledge and skill in their teaching;	
	Produce different forms of written discourse and understand how written discourse can influence thought and action;	
3.5 Candidates demonstrate knowledge of, and uses for, an extensive range of literature.	Know and use a variety of teaching applications for: Works representing a broad historical and contemporary spectrum of United States, British, and world, including non-Western, literature;	

	Works from a wide variety of genres and cultures, works by female authors, and works by authors of color;  Numerous works specifically written for older children and younger adults;  A range of works of literary theory and criticism;	
3.6 Candidates demonstrate knowledge of the range and influence of print and non-print media and technology in contemporary culture.	Understand how media can influence constructions of a text's meaning, and how experiencing various media can enhance students' composing processes, communication, and learning;	
	Show an ability to construct meaning from media and non-print texts, and to assist students in learning these processes;	
	Incorporate technology and print/non-print media into their own work and instruction;	
	Use major sources of research and theory related to English language arts to support their teaching decisions;	

Standard 4: Candid	Use teacher-researcher models of classroom inquiry to inform their own study and teaching;  date Pedagogy		
Description	Indicators	Map to Field Experiences/ Map to Curriculum and Course Experiences	Assessment Strategies
Candidates acquire and demonstrate the dispositions and skills needed to integrate knowledge of English language arts, students, and teaching.	Candidates examine and select resources for instruction such as textbooks, other print materials, videos, films, records, and software, appropriate for supporting the teaching of English language arts.  Candidates align curriculum goals and teaching strategies with the organization of classroom environments and learning experiences to promote whole-class, small-group, and individual work.  Candidates integrate interdisciplinary teaching strategies and materials into the teaching and learning process for students.		

Candidates create and sustain learning environments that promote respect for, and support of, individual differences of ethnicity, race, language, culture, gender, and ability. Candidates engage students often in meaningful discussions for the purposes of interpreting and evaluating ideas presented through oral, written, and/or visual forms. Candidates engage students in critical analysis of different media and communications technologies. Candidates engage students in learning experiences that consistently emphasize varied uses and purposes for language in communication. Candidates engage students in making meaning of texts through personal response. Candidates demonstrate that their students can select appropriate reading strategies that permit access to, and understanding of, a

wide range of print and non-	
print texts.	
Candidates integrate	
assessment consistently into	
instruction by using a variety	
of formal and informal	
assessment activities and	
instruments to evaluate	
processes and products, and	
creating regular opportunities	
to use a variety of ways to	
interpret and report	
assessment methods and	
results to students, parents,	
administrators, and other	
audiences.
