Request for Applications Release Date: July 26, 2019, 4:30 PM

The Office of the State Superintendent of Education (OSSE) will issue Requests for Applications (RFAs) for Scholarships for Opportunity and Results (SOAR) Act grant funds. SOAR Act funds are available to District of Columbia (DC) charter local education agencies (LEAs) and third-party non-profit charter support organizations. The purpose of the funds is to increase the achievement and academic growth of DC public charter school students and to support the improvement and expansion of high-quality public charter schools. This notice provides information regarding two competitive opportunities: Grants to Non-Profit Third-Party Charter Support Organizations (Charter Support Grants) and Facilities Grants

I. Charter Support Grants

Eligibility and Selection Criteria: Eligible applicants are DC-based non-profit third-party charter school support organizations that have a demonstrated history of success working with DC charter schools on similar projects. Applicants must use funds to support projects designed to have a direct and rapid impact on academic achievement and outcomes for charter school students overall or on the achievement of historically underperforming subgroups. Applicants are required to submit a letter of recommendation from a DC charter school with direct experience working with the organization as well as a complete list of all schools and districts to which the organization has provided similar services.

Applications will be scored in the following selection criteria: (1) project data; (2) needs assessment; (3) project description; (4) theory of action; (5) OSSE's priority of meeting the needs of students with disabilities; (6) logic model; (7) an overall description of the project; and (8) the application's budget.

Length of Award: The duration of the Charter Support grant is for a period of two years from the grant award date.

Available Funding for the Award: The amount available under the Charter Support grant is \$2,000,000. OSSE will provide up to \$400,000.00 per "direct assistance" award and up to \$300,000.00 per "indirect assistance" award. Determinations regarding the number of competitive grant awards will be based on the quality and number of applications received and available funding. OSSE anticipates awarding approximately 7 to 10 awards. Successful applicants

may be awarded amounts less than requested. Awards are limited to one per organization. Grant funds shall only be used to support activities authorized by the relevant statutes and included in the applicant's submission.

II. Facilities Grants

Eligibility and Selection Criteria: Eligible applicants are high-quality DC public charter schools. Applicants must use funds to support the renovation of facilities occupied by charter schools. Eligible applicants must provide documentation of site control.

Applications will be scored in the following selection criteria: (1) project data; (2) needs assessment; (3) project description; (4) theory of action; (5) OSSE's priority of meeting the needs of students with disabilities; (6) logic model; (7) an overall description of the project; and (8) the application's budget.

Length of Award: The duration of the Facilities grant is for a period of two years from the grant award date.

Available Funding for the Award: At least \$4,000,000.00 is available for awards through this RFA. OSSE will provide up to \$750,000 per award. Determinations regarding the number of competitive grant awards will be based on the quality and number of applications received and available funding. Successful applicants may be awarded amounts less than requested. Awards are limited to one per local educational agency. Grant funds shall only be used to support activities authorized by the relevant statutes and included in the applicant's submission.

III. Application Process:

A review panel or panels will be convened to review, score, and rank each application for a competitive grant. The review panel(s) will be composed of external, neutral, qualified, professional individuals selected for their expertise, knowledge or related experiences. Each application will be scored against a rubric and applications will have multiple reviewers to ensure accurate scoring. Upon completion of its review, the panel(s) shall make recommendations for awards based on the scoring rubric(s). OSSE will make all final award decisions. Applications for both grants must be submitted prior to 3 p.m. on Sept. 6, 2019. OSSE estimates that it will award both grants by Oct. 1, 2019; however this date may change.
