Condition Governing Title I, Part A and Title II, Part A Grant Awards

Friendship Public Charter School failed to submit a fully approvable Consolidated Application by the deadline for Federal Fiscal Year 2013.

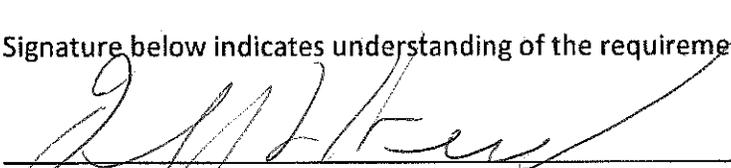

Therefore, the awards for Consolidated Application programs are made subject to the condition that Friendship Public Charter School follows all specific deadlines in the submission of the Federal Fiscal Year 2014 application. A first complete draft of the application must be submitted no later than the date set by the Office of the State Superintendent when the application is released. If revisions are required based on the Office of the State Superintendent of Education's review, the LEA must submit its revised application by the date set by the Office of the State Superintendent of Education when the application is released. These deadlines will ensure that the LEA submits a fully approvable application by the deadline for Federal Fiscal Year 2014.

Additionally, the LEA must send at least 2 representatives to all unique technical assistance sessions offered by the Office of the State Superintendent of Education on the Federal Fiscal Year 2014 Consolidated Application or risk special conditions and/or denial of Federal Fiscal Year 2014 funding.

The LEA may be subject to additional on-site and/or desktop monitoring of the fiscal and programmatic implementation of the applicable grants.

If appropriate corrective actions are not taken, OSSE may revise these special conditions to require the LEA to take further action, or stop payment of reimbursement requests.

Signature below indicates understanding of the requirements of this special condition.
