

DISTRICT OF COLUMBIA

OFFICE OF THE STATE SUPERINTENDENT OF

**EDUCATION**

## **Community Schools Community of Practice**

### **Mission and Vision Statement**

#### **Mission**

Increase and disseminate the knowledge of the theory of community schools by: sharing and developing best practices; building a collection of resources; bringing intentionality to the work; and seeking broad input from all stakeholders on current practices and development of a community schools tool kit.

#### **Vision**

That schools have the knowledge to implement community schools; maximizing educational opportunities for every child and their families.
