Introduction to the CDA Training Scholarship and Promotion Program

CentroNía and Southeast Children's Fund were recently awarded the CDA Training Scholarship and Promotion Program grant by the Division of Early Learning (DEL) in the Office of the State Superintendent of Education (OSSE). The Child Development Associate (CDA) Credential™ is the most widely recognized credential in early childhood education. The CDA provides a foundation for building the essential competencies needed by entry-level early childhood professionals. The CDA process can take about 3 to 6 months to complete.
