<u>Preparing for the SY 2015-2016 Release</u>

This is an important notice for users who are in the middle of completing processes in SEDS or who will be amending an IEP after the release.
Please note that this document only highlights impact on processes that are in progress. For a full list of SEDS changes coming out with the SY 2015-2016 release date, refer to the Summary of Changes Document found on the [SEDS Resource Site.](#)

Recommended actions by *SY 2015-2016 release date*:
If possible, schedule any pending meetings and finalize all IEPs, IEP Amendments, and Eligibilities.

What to expect after the *SY 2015-2016 release date*:

For any processes (i.e., IEP amendment) that were *partially completed but not finalized* at the time of the release, information in the below mentioned areas may need to be updated before the process can accurately move forward.

<u>Fields in the IEP Process</u>

- **Goals:** If users in the midst of an IEP they must return to goals page to ensure the standards selected are age appropriate.
- **Classroom Accommodations and Testing Participation:** User must return to accommodations page and Reselect accommodations if they are in the process of completing an IEP.

<u>Eligibility</u>
- **Eligibility Determination**: If eligibility process is not complete prior to release date, user must then finalize the eligibility, and submit an OST ticket to have the State manually change the eligibility date (OST).
