

**Training and Professional Development Offerings Fiscal Year 2018 In-person and Online**

DC Child Care Connections (DC CCC) is the District's Child Care Resource and Referral (CCR&R) system. DC CCC connects early childhood education professionals to an array of training and professional development opportunities. Training and professional development sessions scheduled through Sept. 2018 are shown in this table. As new training and professional development is added throughout 2018, the sessions will be added to the Professional Development Information System (PDIS). The PDIS can be accessed through <https://dcpdis.org/> to register and view the most up-to-date training and professional development sessions. For questions regarding PDIS registration, please email [DCPDIS@dc.gov](mailto:DCPDIS@dc.gov) or call the OSSE early childhood education (ECE) help desk at (202) 478-5903. Training and professional development is also available, free of cost, online through Quorum. Access Quorum through <http://www.quorumlearning.com/>.
