INTERPRETATION

What is Language Justice?

Language justice is when a person who DOES NOT speak English very well lives a life realizing their rights, a life of dignity, & free of systemic oppression.

WHY IS THIS IMPORTANT?

Language Access and the Law

The Title VI Statute of the Civil Rights Act of 1964, as amended, states:

"No person in the United States shall, on the ground of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance."

-42 U.S.C. § 2000d

"Different treatment based on a person’s inability to read, write, or understand English may be a type of national origin discrimination."
Local Legislation: D.C. Language Access Act
DC government agencies (such as DCPS) must:

1. Interpret for **any language** requested by community members
2. Translate vital documents
3. Collect data on languages spoken by community members
4. Train staff on requirements under the Act and how to use Language Line

**ONGOING**

- Ensuring no agency is dropped from Act
- Expanding access to other groups (i.e. Deaf & Hard of Hearing)
- Ensuring compliance with corrective actions
- Suggesting changes to regulations

Introduced “Language Access for Education Act” with CM David Grosso in Sept 2014; Feb 2015
