

### Tree Part Program

The Office of the State Superintendent of Education has partnered with C & D Tree Company to provide the following materials free for DC school gardens:

- **Wood Chips**\*\* can be used for paths, etc...

- **Double Shredded Hardwood Mulch** \*\* can be used for non-edible planting beds, paths etc...

- **Logs** (indicate how many you want and about what size) can be used for seating, path borders, planting borders, structures, art, habitat, play structures, etc..

- **Stumps** (indicate how many you want- no less than 10 and if you want them cut into "chairs") can be used for seating, planting borders, etc...

**\*\*Available in 15 cu yds. ONLY- this is equal to roughly 150 large bags or 8 full pick-up truck loads.**

Also available are wood tables. If you would like to place an order, please contact Jack Howard at [jackmhoward@hotmail.com](mailto:jackmhoward@hotmail.com) with the following information:

- 1. The name and cell phone # for the person who will be at the site the day of delivery.  
This person must be on site when the delivery takes place (see #4).*
- 2. The address of the school, and detailed info on where to dump the materials.  
The most helpful marker is a stick painted orange placed in the location where you want the materials dumped. The location must be accessible for a large dump truck (gates must be 12ft wide).*
- 3. What item(s) you are requesting, the quantity of the item if applicable.  
Mulch and wood chips only come in 15 cubic yard amounts.*
- 4. The date you would like delivery to take place  
Deliveries take place at or before 7am.*

If you run into any problems with getting tree parts, or have a suggestions to improve the program, please contact **Sam Ullery, School Garden Specialist** at [sam.ullery@dc.gov](mailto:sam.ullery@dc.gov)
