theNumbers

# college awareness week

September 23–29, 2007

Join us in making sure that all DC public school students have the chance to attend ... and succeed in ... college.

#### AMONG THE PLANNED EVENTS:

- **Mayor's 2nd Annual College Fair**, September 27 and 28, DC Armory
- **McDonald's College Expo**, September 29, Mt. Vernon Square Library
- **School-based assemblies** at each high school throughout the week
- **Plus, wear your college gear** — sweatshirts, t-shirts, caps, fraternity and sorority sweaters, whatever you have. Send your personal message to students that college counts.

The activities are part of a citywide effort to double the numbers of DC students who graduate from high school, enroll in college, and succeed in college.

Please join the movement ... and help more of our children succeed.
