# COMMUNITY meetings

## **INTRODUCING: Training for parents and guardians on the new academic standards for DCPS**

Please join us at one of these meetings to become familiar with the new, more challenging learning standards and expectations for DCPS students.

- Learn about the new standards
- Ask questions about what you should expect from your child's school
- Learn how you can help at home
- Meet with other parents in your child's grade
- Receive study guides to help your child succeed
