Pursuant to the Individuals with Disabilities Education Improvement Act of 2004 (IDEA) Section 616(a)(1)(C)(i) and 34 CFR §300.600(a), each state must make “determinations” annually under Section 616(d) on the performance of LEAs’ programs for students with disabilities. In making such determinations, OSSE assigns each LEA one of the following determination levels:

- Meets requirements
- Needs assistance

- Needs substantial intervention

OSSE has finalized its special education determinations for LEAs based on a rubric that considers programmatic and fiscal data across a number of measures. LEAs that were in operation during FFY 2012 (July 1, 2012- June 30, 2013) will be receiving their determinations for that time period on August 21, 2014. Determinations will be sent to each Head of School by letter and email. OSSE will hold a determinations webinar during the week of September 8, 2014, to review the determinations process. Please note that LEAs may have required actions or activities to complete as a result of the determination.

OSSE’s specialized education compliance monitors will directly reach out to each LEA with an invitation to the webinar. If you have questions about the determinations process, please contact [Dr. Jennifer Masoodi](#), director of Monitoring and Compliance, or call 202 741-0479.
